a marvelous measurer learns that friendship can be counted on in this tale that reminds readers that the best things in life are not meant to be measured but treasured full color

this anthology is a collection of readings on the christian life they were carefully selected from every era of history and from across the spectrum of christian traditions they include letters sermons treatises and disputations poems songs and hymns confessions biblical commentary and even part of a novel in each case the subject is life with god life in god life for god life infused and enlivened by god s grace the editors introduce each selection highlighting relevant aspects of the author s biography spirituality and historical context introductions are also provided for the major eras of the church which present theological historical and cultural perspectives to help the reader best engage the selections for individuals and groups classrooms and seminars this collection will generate dialogue between past and present and between traditions familiar and unfamiliar it is not merely a book on the christian life but for the christian life making yesterday s witness to life with god a resource for the church today

this is the story of the roman emperor julian a brave and courageous young man who began his life in a regal yet humble way descended from the blood of emperors he was

orphaned from the time of his youth and left to the devices of his tyrant cousin a villain whose only desire in life was to first acquire and then to hold the power of rome in his hands to achieve this end he would stop at nothing including murder julian was only a child when this man rose to power and he unfortunately found himself caught up in the man s contemptuous ways due to his cousin s devices julian spent his early years in confinement as he grew older the challenges became even greater until he finally had to take desperate measures in order to survive for those that do not know the history of julian he was the last pagan emperor of rome and nephew of constantine the great the first christian emperor

this book gets at the heart of the christian life by considering some of the great truths of god s existence christopher holmes an expert in contemporary theology engages with the church fathers along with augustine and aquinas to offer a rich accessible account of the triune god and the divine perfections holmes shows how we share in the life of god through imitation and participation and how the doctrines of the triune god and the divine attributes shape our understanding of the christian life throughout holmes demonstrates the importance of theology for christian faith and practice

it seemed a simple thing to move a family of eight to portugal and throw six young children into the public schools but that s when they began to hear about all the families that had failed the wilding family bought their tickets packed up their little white house in the mountains and flew to portugal on the sheer blind faith that everything would work out now they re faced with the reality that portugal doesn t work like they want it to and they may not be able to live legally within the country if they can t get their residency permits not to mention that learning a new language is hard and no one is always sure what s going on with the schools some of the kids start the year off failing the first term the odds are against them and the question remains can the wildings last one year in portugal written from multiple points of view from within the family please sneeze in portuguese is delightful and winsome with a wide range of appeal for everyone between 8 and 88 please sneeze in portuguese is the second of five books in the wilding family chronicles following i love you i like you scroll up to add this entertaining book to your library and start reading today

vol 1 includes the installation of frank le rond mcvey as president of the university of north dakota programs and proceedings called inauguration number dated sept 1910

honorius augustodunensis of regensburg born perhaps in the 1070s was a native son of southern germany or austria who pursued his studies in england with st anselm of canterbury under anselm s influence he became a benedictine monk before returning to germany in the opening years of the twelfth century during his life long monastic career he blossomed as a prolific writer he died around 1140 the epithet of autun as a translation of augustodunensis was applied to him by scholars a century ago and earlier but it has long been discredited and the meaning of augustodunensis remains a mystery although honorius has been appropriately described as an enigmatic figure his strong influence on western theologians is widely recognized despite his large corpus now known to consist of approximately thirty texts but almost certainly more honorius augustodunensis is the most unjustly neglected writer of the twelfth century renaissance although he is best known as a popularizer he also composed a major philosophical text the key to natural philosophy clavis physicae ca 1125 30 taking the form of a dialogue between master and disciple the clavis is an abridged paraphrase of eriugena s periphyseon the most radical work of neoplatonic thought in the time frame between pseudo dionysius and meister eckhart honorius treats such topics as the unknowability

of god apophatic and cataphatic theology the primordial causes the cosmological process of creation and return human and angelic nature the fall the four elements and the findings of ancient astronomers although eriugena was condemned for heresy in the thirteenth century honorius managed to escape that censure the key to natural philosophy thus became the chief conduit of the carolingian philosopher s thought in the later middle ages influencing readers from eckhart through nicholas of cusa

christmas exerts an enormous attraction today even apart from its christian character as a celebration of the incarnation of god in the person of jesus even marginal or indifferent christians crowd the churches on christmas eve and in highly commercialized and technologized western societies the christmas season is celebrated with enthousiasm yet christmas entered the calendar of feasts relatively late by 336 c e and the reason for its introduction and quick spread remain speculative and based on fragmentary evidence towards the origins of christmas addresses both the contemporary western celebration of christmas and its deep historical roots in the church of the fourth century the book presents a thorough investigation of the patristic texts and evidence cited by liturgical scholars in the late 19th and 20th centuries to support two main theories the calculation theory and the history of religions theory this historical research is set in the framework of the contemporary experience of christmas the dynamics of time and the liturgical year the inculturation of liturgy and underlying elements of dualism and patriarchal power paradigms which linger beneath the often commercial and sentimental character of christmas today suzan k roll was born in clarence center new york usa in 1952 she holds degrees in classical languages and pastoral theology and in 1993 received a ph d from the faculty of theology of the catholic university of louvain leuven belgium summa cum laude with the gratulations of the jury she has thought and published in the field of liturgy sacraments pastoral theology and presently teaches at christ the king seminary buffalo new york usa
