*Georges Simenon Georges Simenon*

a writer as comfortable with reality as with fiction with passion as with reason john le carré when a body is found in paris nothing is as it seems and maigret must

delve into the victim's mysterious past to discover who could have killed him. Inspector Maigret is called to action after a man who appears to be an elderly, socially isolated vagrant is found dead in the condemned building where he had been sleeping in Les Halles, Paris. As he begins to pick apart the few clues available, however, Maigret soon realizes that this man is far from who he originally appeared. Helped along by his signature intuition, an anonymous caller, and the memories of Montmartre's community of senior citizens, the inspector must put the puzzle together and reveal the truth behind a pair of crimes. With Georges Simenon's signature tightly woven plotting, *Maigret and the Loner* is a riveting, page-turning mystery.

An elderly woman who has repeatedly sought Chief Superintendent Maigret's help over an intruder in her apartment is mysteriously murdered.

The father of contemporary European detective fiction, Ann Cleeves, leaning on the banisters, Madame Maigret watched her husband going heavily downstairs. What the newspapers didn't know was how much energy he put into trying to understand how much he concentrated during certain investigations. It was as if he identified with the people he was hunting and suffered the same torments as they did. A young man is found dead, clutching his tape recorder, just streets away from Maigret's home, leading the inspector on a disturbing trail into the mind of a killer. His artistry is supreme. John Banville, one of the greatest writers of the twentieth century, *Guardian*.

A writer as comfortable with reality as with fiction, with passion as with reason, John Le Carré, when he is tasked with solving a seemingly motiveless murder, Inspector Maigret must rely on his famous intuition to discover the truth. A retired manufacturer is found murdered with his own pistol in his favorite armchair, shattering the tranquility of a quiet Paris community. The neighbors describe the Josselin household as a bastion of bourgeois compatibility, and Inspector Maigret is stymied by the absence of motive and by the reticence of the bereaved wife. It is not until a chance witness recalls an odd encounter between the deceased and a man in a bistro that the veil of propriety protecting the killer begins to dissolve. Maigret suspects that he's not being given all the facts in this case as he is drawn deeper into the complex web of family dramas and lies at the heart of it in *Maigret and the*
