this book examines indonesia s strategies and policies to influence regional cooperation in the indo pacific focusing especially on indonesia s efforts to be the maritime fulcrum in the indo pacific during president joko widodo s jokowi administration from 2014 until the present highlighting the importance of indonesia as the largest country in southeast asia and as a founder member of asean the book based on extensive original research provides key insights into indonesia s maritime policy decision making since 2014 it discusses the domestic political context in which foreign policy decisions are made provides an explanation for indonesia s efforts to project its vision of indo pacific cooperation at the asean level and beyond

and demonstrates how indonesia strives to maintain a delicate balance in its interactions with major powers in the region including the united states china and japan

the book which was first published in 1996 examines indonesia s foreign policy under suharto it not only details indonesia s foreign policy behaviour vis à vis indonesia s neighbours and major powers but also places it in the context of foreign policy analysis today the book remains as the only full length study on indonesia s foreign policy under suharto it is now reprinted with a new postscript which discusses the post suharto era from b j habibie to joko widodo indonesia under suharto had attempted to become a regional power to lead southeast asian states and beyond as the largest country and also the richest in terms of natural resources suharto s indonesia was held in deference by the asean states however due to its limited capabilities its lack of military strength advanced technology and economic strength the political influence of jakarta was in fact quite limited during the economic crisis suharto was forced to step down he was succeeded by b j habibie who was largely preoccupied with domestic issues who in turn was followed by weak presidencies such as abdurrahman wahid gus dur and megawati only after the ex general susilo bambang yudhoyono assumed presidency did he manage to stabilize the situation and attained economic growth he even became known as the foreign policy president nevertheless he was constrained by the harsh indonesian reality limited resources a weak military and absence of political influence his successor joko widodo has been more concerned with economic matters and domestic politics indonesian regional leadership declines further

indonesia s path toward middlepowership is a book deliberately constructed by scholarship around indonesia and asean to raise awareness of indonesia s potential new leanings and efforts made towards the title of middlepowership in the international order the content is a rewritten version of papers contributed by scholars for the event called renaissance which is a short form of reaffirming indonesia s foreign affairs in airlangga international seminar and conference as this book aims to explain the broad elements and concept of indonesia s middlepowership it is then divided into 4 distinct chapters that is chosen based on its significancy and reliability on being indicators of middle power country which are 1 indonesia s maritime security and its dynamics 2 political economy as material modality towards middlepowership 3 socio cultural aspects as imaterial modality towards middlepowership and 4 indonesia s domestic political affairs and its dynamics

alverdian explores how a distinct national character of maritime governance has influenced the nature of indonesia s aspiration to go beyond archipelagic towards a maritime nation through focusing on the intersection between the nation s political culture historical changes and geopolitical contexts which gave rise to the primacy of the theme of unity in the nation s discourse the main theme of this research is the three pillar framework of the tanah air concept which includes the political culture of persatuan nasional national unity the strategic culture of cakra manggilingan turning of the times from dark to golden periods

and the geopolitical context of posisi silang dunia world crossroad position the findings of this publication indicate the dominant influence of javanese political culture philosophy values and traditions on the distinct character of indonesia s maritime orientation specifically javanese political philosophy and traditions within each pillar of tanah air have influenced continuity rather than change in the evolution of indonesia s maritime policy this book helps readers understand how the defining theme of unity in national political culture has shaped the evolution of indonesia s maritime policy from 1945 to 2019 it illustrates how the continuous influence of the theme of national unity as devised by the political elites through history has addressed the realities of the archipelago s geography and it is significant from both an academic and practical policy perspective a book designed for academics and the general public interested in gaining greater insight and knowledge on indonesia s maritime policy and maritime nation aspirations
