making master guitars is a craftsman s handbook about the exciting and challenging pursuit of making classical guitars a craft that the author reveals to be surprisingly accessible by following his instructions the book is unique in that it includes nine separate detailed plans of instruments constructed by internationally famous guitar makers the author has had the rare opportunity of examining these instruments in detail and has made many replicas of each one it is presented in three parts the master makers and their guitars workshop tools and materials and guitar construction the spanish method

it has been estimated that there are over 700 million guitars in the world every one of these will at least need some maintenance in its lifetime and a large proportion will need repairing many of these guitars will be discarded or left to collect dust never to be played again players will not be aware that their playing experience can be enhanced by improving the condition of their instrument even cosmetic repairs may help to encourage a player to pick up their guitar and practise many of the procedures covered can be tackled by anyone with some aptitude for working with their hands whilst others will require a greater level of skill and practice each task in the book is assigned a level of difficulty ranging from easy to moderate to challenging each procedure is accompanied by detailed photographs and diagrams while it would be impractical to include every single variation of repair that might be required for an acoustic guitar the book covers all of the common repairs and many more practice of all of the techniques covered will in time enable you to cope with almost any repair job you encounter james lister has a well deserved reputation as a maker and repairer and the book draws on this wealth of experience to present the reader with clear logical text explanatory drawings and many excellent colour photographs that show the sequence of steps for each job leaving no room for uncertainty the guitar repair book is a welcome addition to the guitar aficionado s bookshelf roy courtnall
