innovation shapes wars and twelve studies by former faculty members of west point's united states military academy examine specific cases of past and present military innovation the complex competitive and dynamic environment that defines war drives combatants to seek solutions to potentially lethal problems as some solutions prove effective gain traction and win emulation they follow a path of

innovation the chapters address a broad array of innovations including in weapon technology strategy research and development philosophy organization of the military instrument and leveraging maps for strategic goals geographically the examples in this volume span four continents and the mediterranean sea and chronologically they proceed from the twelfth century to the twenty first collectively the studies point to the interconnected value of pursuing constructive solutions to challenges networking interdisciplinary forms of knowledge appropriately balancing expectations and capabilities and understanding an innovation as a journey rather than as an episodic event

the lonely planet bluelist captures the world s hottest trends destinations journeys and experiences for the year ahead drawing on the knowledge passion and miles travelled by the lonely planet community of authors staff and travellers and covering every country in the world this first edition is a selection of 618 of the best places to go and things to do in the world right now

designed to fit perfectly in your backpack a guide to the europe your most likely to visit tampa tribune travel writer andy schrader s intelligent and witty book is more than a guidebook it s an essential travel companion

barcelona is a city of style like no other in europe and this book provides all the information you need to savour its unique delights the glories of the gothic the monuments of the modernistas and the festa fun of a hot summer night are all made available to you by an expert guide who understands the needs of the modern independent traveller detailed full colour maps language guide to catalan and castilian spanish where to eat and drink what to order and how to ask for it background sections on the history politics and culture of the former capital city of republican spain day trips to the wine regions and notable towns of catalunya

unimpressed with the few packaged tours that she experienced the author launched upon the research of worldwide independent travel that would ultimately lead to the publication of how to go almost anywhere for nothing and to a new career as a writer on travel consumer and women s issues she has traveled extensively in asia europe north africa and america from the introduction i began a quest for information on really cheap travel i researched an extraordinary amount of published material and then embarked upon many years of travel and research in the united states and abroad i have now traveled extensively and at very little expense in asia north america europe and a bit in africa the scope of this particular volume will necessarily focus on areas with which i have the greatest familiarity southeast asia remains a favorite because of the low ground costs and the most detailed information will cover

asian ports of call such as hong kong malaysia thailand and singapore with some reference to specific destinations within europe and the united states my latest major trip was to morocco and that country is covered in this edition in the united states the largest port of entry cities will get the most attention not only because three of my favorite cities fall into this category but for the benefit of visitors from other lands the principles outlined herein should pertain to travel almost everywhere and you will be able to apply them with just a little bit of courage and imagination

fran adams and her family have been travelling abroad on two wheels for more than thirty years and their adventures have ranged from getting shipwrecked in a mountain torrent to straying on to a spanish motorway and getting stuck on a precipice along with one or two painful road accidents and of course frequently getting lost in the middle of nowhere this is a collection of fond memories of fran s cycling adventures with her partner and sons in england wales france spain and italy y

packed with up to date information this new guide has all that s needed to get the most from a visit to this radical and picturesque city lively background notes on the history and culture of amsterdam are included as well as a great selection of suggestions on where to dine sleep and get the best bargains 17 color maps photos

including a calendar of festivals and special events this guide to andalucia also features details on where to enjoy the best food flamenco and fun as well as providing a range of accommodation options
