when it comes to the domination farm the three general schools of thought are that  
it s the work of the devil and should be shut down and everyone working there  
tossed in a deep hole never to be seen again that it s an interesting concept for  
those into such things and that it s god s gift to the bdsm community and should be  
lauded not only for being a place where all walks of life and sexual openness are  
accepted but for the vast amount of charity work they do for many in the burgeoning  
city of rome wisconsin the fetish resort is seen as something of a rite of passage a  
place where the curious and hardcore alike go to test their sexual limits every visitor  
learns something new about themselves most accept it and add the new  
experiences to their love lives others accept that they gave it an honest try only to  
find it not their style and move on with their lives for carrie atwood it is the perfect  
place to satisfy all of her sexual curiosities
