the 24 entries in this book provide extensive coverage of some of the most notable figures in african american literature such as alice walker richard wright and zora neale hurston icons of

african american literature the black literary world examines 24 of the most popular and culturally significant topics within african american literature s long and immensely fascinating history each piece provide substantial in depth information much more than a typical encyclopedia entry while remaining accessible and appealing to general and younger readers arranged alphabetically the entries cover such writers as maya angelou james baldwin and august wilson major works such as invisible man native son and their eyes were watching god and a range of cultural topics including the black arts movement the harlem renaissance and the jazz aesthetic written by expert contributors the essays discuss the enduring significance of these topics in american history and popular culture each entry also provides sidebars that highlight interesting information and suggestions for further reading

women have had a complex experience in african american culture the first work of its kind this encyclopedia approaches african american literature from a women s studies perspective while yolanda williams page s encyclopedia of african american women writers provides biographical entries on more than 150 literary figures this book is much broader in scope included are several hundred alphabetically arranged entries on african american women writers as well as on male writers who have treated women in their works entries on genres periods themes characters historical events texts places and other topics are included as well each entry is written by an expert contributor and relates its subject to the overall experience of women in african american literature entries cite works for further reading and the encyclopedia closes with a selected general bibliography african american culture is enormously diverse and the experience of women in african american society is especially complex women were among the first african american writers and works by black women writers are popular among students and general readers alike at the same time african american women have been oppressed and texts by black male authors represent women in a variety of ways the first of its kind this encyclopedia approaches african american literature from a women s studies perspective and thus significantly illuminates the african american cultural experience through literary works included are several hundred alphabetically arranged entries written by numerous expert contributors in addition to covering male and female african american authors the encyclopedia also discusses themes major works and characters genres periods historical events places and other topics included are entries on such authors as maya angelou james baldwin frederick douglass nikki giovanni june jordan claude mckay ishmael reed sojourner truth phillis wheatley and many others in addition the many works

discussed include beloved blanche on the lam iknow why the caged bird sings the men of brewster place quicksand the street waiting to exhale and many more the many topical entries cover black feminism black nationalism conjuring children s and young adult literature detective fiction epistolary novel motherhood sexuality spirituality stereotypes and many others entries relate their topics to the experience of african american women and cite works for further reading features and benefits includes hundreds of alphabetically arranged entries draws on the work of numerous expert contributors includes a selected general bibliography offers a range of finding aids such as a list of entries a guide to related topics and an extensive index supports the literature curriculum by helping students analyze major writers and works supports the social studies curriculum by helping students use literature to understand the experience of african american women covers the full chronological range of african american literature fosters a respect for cultural diversity develops research skills by directing students to additional sources of information builds bridges between african american history literature and women s studies

the last three decades of the 20th century have marked the triumph of many black professional women against great odds in the workplace despite their success few novels celebrate their accomplishments black middle class professional women want to see themselves realistically portrayed by protagonists who work to achieve significant productivity and visibility in their careers desire stability in their personal lives aspire to accrue wealth and live elegantly though not consumptively the author contends that most recent american realistic fiction fails to represent black professional women protagonists performing their work effectively in the workplace identifying the extent to which contemporary novels satisfy the readerly desires of black middle class women readers this book investigates why the readership wants the texts as well as what they prefer in the books they buy it also examines the technical and cultural factors that contribute to the lack of books with self empowered black professional female protagonists and considers the salt eaters by toni cade bambara and waiting to exhale by terry mcmillan two novels that function as significant markers in the development of contemporary black women writers texts

this four volume reference work surveys american literature from the early 20th century to the present day featuring a diverse range of american works and authors and an expansive selection of primary source materials bringing useful and engaging material into the classroom this four volume set covers more than a century of american literary history from 1900 to the present twentieth century and contemporary american literature in context profiles authors and their works and

provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped american writing twentieth century and contemporary american literature in context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern america not only are major literary movements represented such as the beats but this work also highlights the emergence and development of modern native american literature african american literature and other representative groups that showcase the diversity of american letters a rich selection of primary documents and background material provides indispensable information for student research

novelist terry mcmillan is widely considered to be the preeminent voice of young professional african american women today her novels *Waiting to Exhale* and *How Stella Got Her Groove Back* became instant classics touchstones for a culture that the mainstream media had often dismissed or ignored the story of her own life is as compelling and inspiring as any of her novels born in port huron michigan in 1951 mcmillan was raised by her mother her father having died when she was 16 although staying in her small town would have been the easiest path mcmillan gambled on a brighter future with only a dream and meager savings she moved to california and began writing poetry and short fiction several years later she left for new york city where she struggled as a single mother and office clerk until she finally found acceptance of her work when her first novel *Mama* 1987 received only minimal support from her publisher she promoted it on her own she found millions of fans both black and white and in the process changed the way the book industry sees black america

the accompanying cd provides excerpts from the interviews with the authors

from jane austen to john steinbeck to don delillo to danielle steel this book offers a detailed and comprehensive resource revealing fascinating facts about the authors you love along with great introductions to authors you've yet to read

includes more than 360 interpretative essays on works of twentieth century fiction published in the united states and latin america

from 1 new york times bestselling author terry mcmillan comes an honest look at a modern romance from love at first sight to painful reality to working toward a happy ending franklin swift was a sometimes employed construction worker and a not quite divorced dad of two zora banks

was a teacher singer and songwriter they met in a brooklyn brownstone and there could be no walking away in this funny gritty love story franklin and zora join the ranks of fiction s most compelling couples as they move from scrabble to sex from layoffs to the limits of faith and trust disappearing acts is about the mystery of desire and the burdens of the past it s about respect what it can and can t survive and it s about the safe and secret places that only love can find

1 new york times bestselling author terry mcmillan s exuberant return to the four unforgettable heroines of waiting to exhale waiting to exhale was more than just a bestselling novel its publication was a watershed moment in literary history mcmillan s sassy and vibrant story about four black women struggling to find love and their place in the world touched a cultural nerve inspired a blockbuster film and generated a devoted audience now mcmillan revisits savannah gloria bernadine and robin fifteen years later each is at her own midlife crossroads savannah has awakened to the fact that she s made too many concessions in her marriage and decides to face life single again at fifty one bernadine has watched her megadivorce settlement dwindle been swindled by her husband number two and conned herself into thinking that a few pills will help distract her from her pain robin has an all american case of shopaholism while the big dream of her life to wear a wedding dress has gone unrealized and for years gloria has taken happiness and security for granted but being at the wrong place at the wrong time can change everything all four are learning to heal past hurts and to reclaim their joy and their dreams but they return to us full of spirit sass and faith in one another they ve exhaled now they are learning to breathe
