are we living the good life and what defines good anyway americans today are
constructing a completely different framework for success than their parents
generation using new metrics that ted women speaker and columnist courtney
martin has termed collectively the new better off the new better off puts a name
to the american phenomenon of rejecting the traditional dream of a 9 to 5 job
home ownership and a nuclear family structure illuminating the alternate ways
americans are seeking happiness and success including commentary on recent
changes in how we view work customs and community marriage rituals money
living arrangements and spirituality the new better off uses personal stories and
social analysis to explore the trends shaping our country today martin covers
growing topics such as freelancing collaborative consumption communal living
and the breaking down of gender roles the new better off is about the creative
choices individuals are making in their vocational and personal lives but it is also

about the movements formal and informal that are coalescing around the new better off idea people who are reinventing the social safety net and figuring out how to truly better their own communities

mama might be better off dead is an unsettling profound look at the human face of health care both disturbing and illuminating it immerses readers in the lives of four generations of a poor african american family beset with the devastating illnesses that are all too common in america s inner cities the story takes place in north lawndale a neighborhood that lies in the shadows of chicago s loop although surrounded by some of the city s finest medical facilities north lawndale is one of the sickest most medically underserved communities in the country headed by jackie banes who oversees the care of a diabetic grandmother a husband on kidney dialysis an ailing father and three children the banes family contends with countless medical crises from visits to emergency rooms and dialysis units to trials with home care to struggles for medicaid eligibility abraham chronicles their access or lack of access to medical care told sympathetically but without sentimentality their story reveals an inadequate health care system that is further undermined by the direct and indirect effects of poverty when people are poor they become sick easily when people are sick their families quickly become poorer embedded in the family narrative is a lucid analysis of the gaps inconsistencies and inequalities the poor face when they seek health care this book reveals what health care policies crafted in washington d c or state capitals look like when they hit the street it shows how medicaid and medicare work and don t work the catch 22s of hospital financing in the inner city the racial politics of organ transplants the failure of childhood immunization programs the vexed issues of individual responsibility and institutional paternalism one observer puts it this way show me the poor woman who finds a way to get everything she s entitled to in the system and i ll show you a woman who could run general motors abraham deftly weaves these themes together to make a persuasive case for health care reform while unflinchingly presenting the complexities that will make true reform as difficult as it is necessary mama might be better off dead is a book with the power to change the way health care is understood in america for those seeking to learn what our current system of health care promises and what it delivers it offers a place for the debate to begin

melinda a roberts and david t wasserman 1 purpose of this collection what are our obligations with respect to persons who have not yet and may not ever come into existence few of us believe that we can wrong those whom we leave out of existence altogether that is merely possible persons we may think as well that the directive to be fruitful and multiply and replenish the earth 1 does not hold up to close scrutiny how can it be wrong to decline to bring ever more people into existence at the same time we think we are clearly obligated to treat future persons persons who don t yet but will exist in accordance with certain stringent standards bringing a person into an existence that is truly awful not worth having

can be wrong and so can bringing a person into an existence that is worth having when we had the alternative of bringing that same person into an existence that is substantially better we may think as well that our obligations with respect to future persons are triggered well before the point at which those persons commence their existence we think it would be wrong for example to choose today to turn the earth of the future into a miserable place even if the victims of that choice do not yet exist
