since the first edition of managing the unexpected was published in 2001 the unexpected has become a growing part of our everyday lives the unexpected is often dramatic as with hurricanes or terrorist attacks but the unexpected can also come in more subtle forms such as a small organizational lapse that leads to a major blunder or an unexamined assumption that costs lives in a crisis why are

some organizations better able than others to maintain function and structure in the face of unanticipated change authors karl weick and kathleen sutcliffe answer this question by pointing to high reliability organizations hros such as emergency rooms in hospitals flight operations of aircraft carriers and firefighting units as models to follow these organizations have developed ways of acting and styles of learning that enable them to manage the unexpected better than other organizations thoroughly revised and updated the second edition of the groundbreaking book managing the unexpected uses hros as a template for any institution that wants to better organize for high reliability

advice about how to be a great parent from the co host of parental guidance what does it mean to be a good parent are you a good parent when your child is compliant but a bad parent when they're not what if they're perfect at age three and challenging at thirteen and what if your child has additional needs this is a book about parenting styles and what it takes to be a great parent we know about tiger parents helicopter parents free range parents but have you heard of tesla parents leaf blower parents or iphone 6 parents so many styles but is there one that actually works justin coulson believes so drawing on up to the minute research in parenting science as well as studies of childhood development he shows how our children thrive when we understand and meet their basic psychological needs how our job is not to fix our kids but to create an environment that supports their growth and development and how children flourish when we minimise control but maximise our warmth and involvement and establish healthy boundaries not all children are the same and justin considers a range of circumstances that you or your child might be in including children with non typical development his revolutionary approach and practical strategies will encourage you to change the way you parent forever

resilient grieving is a practical research based guide to finding your own path to recovery from devastating loss updated and revised edition including new research hone shows us how to harness the thankfully common power of our own resilience to work our way through a horrible loss the new york times a recommended new book for those who are grieving hone's metaphor for life after loss is both powerful and apt think of it as a scattered jigsaw puzzle where the pieces of one's former life have been scattered and now must be reconfigured in a new way the wall street journal in this new edition of resilient grieving dr lucy hone has extensively updated the text to include new research and material that she has gained by working with the bereaved through her coping with loss grief programmes lucy is widely regarded as a thought leader in resilience psychology the death of her 12 year old daughter forced lucy to focus her work on grief and how to survive tragic loss known for her hugely popular ted talk for being an internationally sought after professional speaker best selling author and award winning academic lucy is transforming the grief landscape by sharing better ways to grieve she blogs for psychology today and is a regular contributor to global media including the guardian the washington post the bbc cbs and abc and channel news asia she says if you are sick of feeling helpless and desperate to restore some hope and control then i wrote this book to show you how while i cannot remove all the pain of loss this book shares everything i've learned to help you live and grieve at the same time

the chapters in this book were first presented at the women in french biennial conference held in leeds in may 2004 the twelve essays explore the multifaceted commodification of the female body and provide insights into the mutations of french society and culture british and french scholars examine the paradoxes and contradictions embodied in various images and discourses related to health and illness from different perspectives ranging from sociological studies to analyses of working diaries children s medical encyclopaedias and literary texts the resilient female body as epitomised by the first world war nurse tends by the end of the twentieth century to be construed as the sanitised female body subjected to mind body dualities largely controlled by the medical professions thus maternity and related issues such as birth and contraceptive technologies figure as major themes with contributors revealing unresolved ambivalences other chapters focus on how women s economic activity can affect their individual health and potentially that of others a further prominent theme shows how for contemporary women writers serious illnesses such as cancer and madness in women can be seen as rich metaphors for the ills of a male dominated society duras s alcoholism and aragon s portrayals of prostitution are also discussed

this cornerstone text provides the most up to date evidence based approaches to inpatient pediatric care available all from top experts in their fields the gold standard in pediatric hospital medicine comprehensive pediatric hospital medicine has been updated and streamlined for today s practice this third edition defines hospital medicine and addresses general issues of hospitalist practice and administration such as medical legal issues communications electronic health records palliative care ethical issues careers professional organizations and more clearly organized into four main sections inpatient pediatric medicine commonly presenting signs and symptoms systems approach and procedures comprehensive pediatric hospital medicine third edition explores commonly presenting signs and symptoms breaks down diseases by system and describes hard to find instructions on procedures most commonly performed on children in a hospital setting this authoritative work has been fully updated with new content on covid 19 illness and vaccines in pediatric patients pandemic preparedness and resources as well as pediatric patient mental and behavioral health in addition it contains new videos to accompany procedure chapters on accesspediatrics if you re in need of an up to date comprehensive and authoritative text that spans the emerging field of pediatric hospital medicine your search ends here

vols 1 69 include more or less complete patent reports of the u s patent office for years 1825 59

this report recommends that the bureau of safety and environmental enforcement bsee take a holistic approach to evaluating the effectiveness of offshore oil and the safety and environmental management systems sems programs of gas industry operators according to the report this approach should at a minimum include inspections audits by the operator and bsee key performance indicators and a whistleblower program sems is a safety management system sms aimed at shifting from a completely prescriptive regulatory approach to one that is proactive risk based and goal oriented in an attempt to improve safety and reduce the likelihood that events similar to the april 2010 macondo incident will reoccur according to the committee that produced the report it is not

possible for a regulator to create a culture of safety in an organization by inspection or audit that culture needs to come from within the organization to be successful the tenets of sems must be fully acknowledged and accepted by workers motivated from the top and supported throughout the organization and must drive worker actions the report also notes that bsee can encourage and aid industry in development of a culture of safety by the way it measures and enforces sems the committee believes bsee should seize this opportunity to make a step change in safety culture by adopting a goal based holistic approach to evaluating the effectiveness of sems programs in recommending a holistic approach to evaluating the effectiveness of sems programs the report explores in detail the role of sems in helping to develop a culture of safety highlights the pros and cons of various methods of assessing the effectiveness of a sems program and investigates existing approaches for assessing the sms programs of various u s and international regulatory agencies whose safety mandates are similar to that of bsee
