today we are in a modern world marriages are not made in heaven nowadays but are decided by the boy and the girl themselves gone are the days when the parents of the boy and the girl decide on the suitability of the relationship between the boy and the girl and then decide on the unification of them but to some extent it is still considered as a sacred occasion by the hindus at least even when a boy and a girl decide to unite themselves in wedlock majority of them still feel that whether their horoscopes are matching or not it is always advisable to approach a well known astrologer before marriage and have his opinion regarding the adaptability of the boy and the girl there are various factors which assume importance while matching of horoscopes for the purpose of marriage i propose to

divide them into three groups first being the so called kuta agreement the second general study of the charts of the boy and the girl for various facets of life like longevity financial soundness multiple marriages various doshas etc etc the last part will be the timing of marriage as unless the chart promises proper timing of marriage there is no point in going ahead with the matching the first part viz kuta agreement is dealt with in this book apart from the numerous articles that i had studied i made a thorough study of prasna marga english translation of dr b v raman the chapter no xxi deals totally with marriage compatibility everyone will agree with me that prasna marga is one of the most important classics dealing in predictive astrology according to dr b v raman it reveals methods peculiar to the genius of kerala one important aspect of prasna marga is that it considerably reduces the work load of many astrologers who had to refer to various classical treatises as references on various celebrated treatises such as mahadeva s muhurta santana deepika prasna sangraha gnana pradeepika brihat jataka shatpanchashika and vidwajjana vallabha to emphasize certain combinations another important book of which only portions are available with me namely kalaprakashika was also referred and wherever there is a discrepancy between the two i have mentioned it at the appropriate places
