if you keep failing manifesting love and relationship or you simply don't know how to do that then keep reading i can guarantee that you have tried and tested most of the information and techniques you can find to manifest your new lover or ex back but you can't seem to get the results with the law of attraction that most people you see have you know that the law of attraction works but you can't understand why these people keep getting aha moments and instant manifestations when trying to manifest their new lover or ex back but you are stuck in the same place well i can tell you why there is a vital key component that most of the people don't understand or simply don't know when trying to manifest with the law of attraction their soul mate relationships lover or their ex back so they spend many years or even decades doing the techniques that don't produce the results that other people keep getting almost on a daily basis so they start to feel like this hamster on a wheel who runs non stop wastes energy and ends up in the same place where he started until he begins to think that the law of attraction doesn't work and it is only a scam how to manifest your ex or a new lover without the failure well i was in your shoes and i can tell you that most of the law of attraction books and articles talk about the idea that you have to only think positively feel the emotions and simply wait for the man or a woman of their dreams to show up at the door with flowers however there is a vital clue that all of these law of attraction books are missing there are many techniques on how to manifest true love however not all of these so called rituals can bring you what you want to manifest fast or efficiently this book was designed to finally let that gap fill and let you understand what you were doing wrong and to finally give you techniques and principles that will allow you completely learn about the law of attraction and how to use it to manifest your ex new lover or maybe to have a perfect relationship if you are not single already here is a sneak peek of what you are going to learn five love attracting secrets that no one talks about that will guarantee your success biggest mistakes to avoid while manifesting love that will make your lover appear fast the most powerful habit no one mentions that will make you a master of manifestation the one spiritual exercise you must do daily in order to become the most attractive person to the opposite sex that you will manifest a simple and mostly unknown daily ritual that will magnetize your lover and ex back almost instantly things you should not do when you are in the process of manifesting your love with the law of attraction and a lot more if you are
