around the world

a unique contribution to film studies richard gordon's cinema slavery and brazilian nationalism is the first full length book on brazilian films about slavery by studying brazilian films released between 1976 and 2005 gordon examines how the films both define the national community and influence viewer understandings of brazilianness though the films he examines span decades they all communicate their revised version of brazilian national identity through a cinematic strategy with a dual aim to upset ingrained ways of thinking about brazil and to persuade those who watch the films to accept a new way of understanding their national community by examining patterns in this heterogeneous group of films gordon proposes a new way of delineating how these films attempt to communicate with and change the minds of audience members gordon outlines five key aspects that each film incorporates which describe their shared formula for and role in constructing social identity these elements include the ways in which the films attempt to create links between the past and the viewers present and their methods of encouraging viewers to identify with their protagonists who are often cast as a prototype for the nation by aligning themselves with this figure viewers arrive at a definition of their national identity that while afrocentric also promotes racial and ethnic inclusiveness gordon's innovative analysis transcends the context of his work and his conclusions can be applied to questions of national identity and film across cultures

thoroughly updated with historical and cultural insights detailed transportation and full attention to national parks festivals and outdoor activities this book also offers a comprehensive portuguese language section 117 maps

expanding on the theoretical framework for studying and practicing public relations around the world the global public relations handbook revised and expanded edition extends the discussion in the first volume on the history development and current status of the public relations industry from a global perspective this revised edition offers twenty new chapters in addition to the original contents it includes fourteen additional country or regionally focused chapters exploring public relations practice in africa asia europe and the americas contributors use a theoretical framework to present information on the public relations industry in their countries and regions they also focus on such factors as the status of public relations education in their respective countries and professionalism and ethics each country specific chapter includes a case study typifying public relations practice in that country additional new chapters discuss political economy activism international public relations and united nations public affairs
