the grail legends have in modern times been appropriated by a number of different scholarly schools of thought their approaches are analysed here this study shows how modern including postmodern adaptations of the grail legend correspond to trends in the scholarly community and how the legend has been appropriated by competing world views there are three parallel trends in grail scholarship and modern adaptations of the legend controversy over christian or pagan origins secularization by way of humanism and esoteric mysticism these three trends reflect movements in popular culture relativism and multiculturalism influence christian pagan cultural conflict in the adaptations mythographers maintain the legend's appeal in a humanist culture by considering the grail metaphor rather than material actuality modern adaptations then transform the grail from a particularly christian

symbol to one with universal application in an increasingly secular society modern esoteric spiritualities allow the grail actuality with flexible meaning this study then demonstrates how the grail legend is transformed and adapted from medieval to modern cultures and continues to evolve today john b marino is adjunct instructor maryville university and saint louis university
