Teacher education is the cornerstone of all educational systems. The National Education Policy (NEP) 2020 emphasises the significance of teacher education, reinforcing the vision of India as a *Vishwa Guru*. It mandates fifty hours of continuous professional development (CPD) for in-service teachers annually, in both online and offline modes, integrating technology into education. Furthermore, it proposes the introduction of national professional standards for teachers (NPST) and mandates school-based experiences, such as internships, in pre-service teacher programs to cultivate humane educators with essential competencies. Now in its third edition, this book emphasises teacher skill development, addressing the growing role of technology and the evolution of education policies, procedures, and frameworks.
