revised paperback edition with new material in every chapter jack d schwager has returned to the traders to ask them how they navigated the unprecedented markets of 2020 2022 including the pandemic bear market an abrupt reversal to new highs rising inflation and the emergence of another bear market all chapters updated with exclusive new interviews with the unknown market wizards the market wizards are back unknown market wizards continues in the three decade tradition of the hugely popular market wizards series interviewing exceptionally successful traders to learn how they achieved their extraordinary performance results the twist in unknown market wizards is that the featured traders are individuals trading their own accounts they are unknown to the

investment world despite their anonymity these traders have achieved performance records that rival if not surpass the best professional managers some of the stories include a trader who turned an initial account of 2 500 into 50 million a trader who achieved an average annual return of 337 over a 13 year period a trader who made tens of millions using a unique approach that employed neither fundamental nor technical analysis a former advertising executive who used classical chart analysis to achieve a 58 average annual return over a 27 year trading span a promising junior tennis player in the uk who abandoned his quest for a professional sporting career for trading and generated a nine year track record with an average annual return just under 300 world renowned author and trading expert jack d schwager is our guide his trademark knowledgeable and sensitive interview style encourages the wizards to reveal the fascinating details of their training experience tactics strategies and their best and worst trades there are dashes of humour and revelations about the human side of trading throughout the result is an engrossing new collection of trading wisdom brimming with insights that can help all traders improve their outcomes

this decade has witnessed the most dynamic bull market in us stock history a collapse in commodity prices and dramatic failures in some of the world s leading hedge funds how have some traders managed to significantly outperform a stock market that until recently moved virtually straight up this book will feature interviews with those traders who achieved phenomenal success from an ohio farmer who has constantly made triple digit returns to a turkish emigre who transformed a 16000 account into 6 million to spectacularly successful professional hedge fund managers such as michael lancer of the lancer group and michael masters of capital management today the action is on the stock market this book will be a must have for that sector as well as for the legions of individuals who eagerly bought market wizards

market wizards the next generation continues in the tradition of the market wizards series interviewing exceptionally successful traders to learn how they achieved their extraordinary performance results seeking the insights that can help all traders improve their outcomes one distinguishing characteristic of market wizards the next generation is that the interviews will place particular emphasis on the early careers of these traders how they broke into the business and their early challenges and experiences the selection of traders will include both well recognized names who managed billions in assets and completely unknown traders with exceptional track records it is anticipated that the book will include a section on commodities corp one of the earliest proprietary trading firms that hired or allocated to some of the world s best traders and interview or narrative chapters on some of their star traders it is also possible the book will contain a section on the origin stories of deceased traders the precise contents and structure of the book is still evolving at this early stage in the writing process

this is one of the best selling investment titles of all time a collection of interviews with top traders gives insights into their stories

of extraordinary investment success learn how these pros converted financial set backs into greater than ever riches

a complete collection of jack d schwager s bestselling market wizards series in his market wizards series author and financial industry expert jack d schwager reveals inside secrets tips and insight from the top traders in today s financial markets packed with winning advice for individual traders and professionals alike this five volume collection compiles schwager s best in one package at one low price the set includes the hardcover edition of the original market wizards interviews with top traders featuring guiding trading principles based on firsthand interviews with successful traders in most financial markets the hardcover edition of the new market wizards interviews with america s top traders featuring even more invaluable insight from even more super successful traders the hardcover edition of stock market wizards interviews with america s top stock traders featuring enlightening stories from successful stock traders from self taught traders to professional hedge fund managers the hardcover edition of hedge fund market wizards how winning traders win featuring a behind the scenes look at the world of hedge funds and fifteen traders who have consistently beaten the markets the winning methods of the market wizards dvd which reveals the key tactics and shared traits of the world s most acclaimed traders

buy now to get the main key ideas from jack d schwager s unknown market wizards unknown market wizards 2020 is a continuation of the market wizards series that trader jack d schwager started in 1989 this time instead of talking to famed traders schwager set out to see if he could find traders who are little known even though they have a long record of success to his amazement he found not one but eleven with great track records in unknown market wizards they describe their trading approaches and thought processes recount the lessons they have learned in the market and give insightful advice to aspiring traders

please note this is a companion version not the original book sample book insights 1 on april 15 1959 bob gibson played his first major league game coming in as a relief pitcher for the cardinals he gave up a home run to the very first batter he faced in the next inning gibson gave up another home run he was sent back to the minors after that game 2 the story of michael marcus is a classic example of how some of the most successful traders started with failure marcus was a college junior who was persuaded to trade futures by a friend of a friend he lost money on every trade and when his adviser came up with the idea to trade contracts based on corn blight fears marcus lost his entire 30 000 3 marcus learned to combine his innate talent as a trader with experience and risk management and was incredibly successful he took a trading job at commodities corporation and in about 10 years time he turned those modest allocations into 80 000 000 4 many of the market wizards had a difficult start in their careers with some losing a lot of money however they were persistent and learned from their mistakes

come behind closed doors and see real trades made by real traders dr alexander elder leads you into 16 trading rooms where you meet traders who open up their diaries and show you their trades some of them manage money others trade for themselves some trade for a living others are on the semi professional level all are totally serious and honest in sharing their trades with those who would like to learn you will meet american and international traders who trade stocks futures and options using a variety of methods all are normally very private but now thanks to their relationships with dr elder you can see exactly how these traders decide to enter and exit trades each chapter illustrates an entry and an exit for two trades with comments by dr elder with this book as your guide you can get closer to mastering the key themes of trading psychology tactics risk control record keeping and the decision making process the companion study guide is filled with striking insights and practical advice allowing you to test your knowledge and reinforce the principles outlined in entries exits

trading is the hardest way to make easy money new traders are often led to believe that trading must be easy which is true to some extent it has certainly never been easier to trade barriers to entry are low and you have unlimited earning power you can trade whenever and wherever you like using any of the numerous markets that are available to choose from and you can select a low cost platform from among the many platforms available but new traders soon realise that what is generally called common sense does not work in trading what they have been taught that there is a right way and a wrong way does not seem to apply to trading why the answer is simple our brains are not naturally wired for trading but they can be rewired and you will find out how in this book whether you are a beginner or an experienced trader reading badass trader can be a valuable way to learn grow and improve your trading skills setting you on a path to financial well being while both informative and practical the book will also help to rewire your mind stacking the odds of trading success in your favour so that you can get profitable quicker
