shift your strategy downstream why do your customers buy from you rather than from your competitors if you think the answer is your superior products think again products are important of course for decades businesses sought competitive advantage almost exclusively in activities related to new product creation they won by building bigger factories by finding cheaper raw materials

or labor or by coming up with more efficient ways to move and store inventory and by inventing exciting new products that competitors could not replicate but these sources of competitive advantage are being irreversibly leveled by globalization and technology today competitors can rapidly decipher and deploy the recipe for your product's secret sauce and use it against you upstream product related advantages are rapidly eroding this does not mean that competitive advantage is a thing of the past rather its center has shifted as marketing professor niraj dawar compellingly argues advantage is now found downstream where companies interact with customers in the marketplace tilt will help you grasp the global nature of this downstream shift and its profound implications for your strategy and your organization with vivid examples from around the world ranging across industries and sectors dawar shows how companies are reorienting their strategies around customer interactions to create and capture unique value and he demonstrates how unlike product related advantage this value is cumulative continuously building over time in an increasingly customer centered world marketplace let tilt serve as your guide to shifting your strategy downstream and achieving enduring competitive advantage

the objective of this project is to assist in the development of flax fibre building panels and moulded products the flax straw studied in this project is a waste agricultural straw which is currently burnt an environmentally unfriendly practice the purpose of assisting in this development is to aid in securing the potential of the flax fibre products for future commercialization and thereby provide the residential building industry with new economic alternative building materials

traditionally poultry is found in many communities the world over and can be with adequate support training and investment a viable commercial enterprise for many small scale farmers poultry can provide for a good source of nutrition for the farm family and an income source which does not depend on the harvest cycle common to crops the booklet is aimed at raising awareness and promoting poultry as a business to all those who are involved in supporting small scale farming and rural development in general

### **Syncing Across Devices**

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

### **Challenges and Limitations**

Despite the benefits, free ebook sites come with challenges and limitations.

### **Quality and Availability of Titles**

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

## **Digital Rights Management (DRM)**

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

### **Internet Dependency**

Accessing and downloading ebooks requires an internet connection, which can be a limitation in areas with poor connectivity.

### **Future of Free Ebook Sites**

The future looks promising for free ebook sites as technology continues to advance.

### **Technological Advances**

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

### **Expanding Access**

Efforts to expand internet access globally will help more people benefit from free ebook sites.

### **Role in Education**

As educational resources become more digitized, free ebook sites will play an increasingly vital role in learning.
