in your face exposes the new worldwide rebellion that s brewing against u s marketing renowned international marketing expert johny k johansson explains why global customers increasingly view u s marketing as the first wave of a cultural assault by an arrogant wasteful society of overfed gas guzzling suv driving bullies he shows why american brands are especially susceptible to attack and considers the bush administration s disastrous repositioning of the united states most important johansson offers a new path for marketers a path to sustainable profits based on mutual respect not domination

renowned business gurus al and laura ries give a blow by blow account of the battle between management and marketing and argue

that the solution lies not in what we think but in how we think there s a reason why the marketing programs of the auto industry the airline industry and many other industries are not only ineffective but bogged down by chaos and confusion management minds are not on the same wavelength as marketing minds what makes a good chief executive a person who is highly verbal logical and analytical typical characteristics of a left brainer what makes a good marketing executive a person who is highly visual intuitive and holistic typical characteristics of a right brainer these different mind sets often result in conflicting approaches to branding and the ries thought provoking observations culled from years on the front lines support this conclusion including management deals in reality marketing deals in perception management demands better products marketing demands different products management deals in verbal abstractions marketing deals in visual hammers using some of the world s most famous brands and products to illustrate their argument the authors convincingly show why some brands succeed nokia nintendo and red bull while others decline saturn sony and motorola in doing so they sound a clarion call to survive in today s media saturated society managers must understand how to think like marketers and vice versa featuring the engaging no holds barred writing that readers have come to expect from al and laura ries war in the boardroom offers a fresh look at a perennial problem and provides a game plan for companies that want to break through the deadlock and start reaping the rewards

this provocative book aims to provide managers with a basic knowledge of how to understand formulate and execute successful strategies against strategically thinking competitors the authors argue that many companies fail to cope with increased competition because they lack a systematic strategy
