how well have architects succeeded in building housing and what lessons can be learned from their triumphs and failures the housing design handbook will give you a complete understanding of what makes successful housing design through the analysis of work by levitt bernstein and a wide range of other uk practices it illustrates good design principles and accumulates a wealth of knowledge in a readily accessible format for the first time written by a recognised authority in the field the book provides a range of cases to illustrate the way that different issues in

the design of housing have been approached and with what degree of success a review of the place of housing as the most significant built form in the urban landscape an understanding of the importance of achieving a sense of place as the bedrock of social continuity a discussion of how flexibility might be achieved in order to accommodate future changes in housing need if wholesale demolition and replacement is to be avoided more recent examples which explore why certain social groupings are more resistant to design innovation than others and why there has been such an architectural breakthrough in market led higher density urban living david levitt examines the ideas behind the schemes and assesses how successful and sustainable those ideas have proved making this an essential reference for professionals and students practicing and studying the design and commissioning of housing

timothy b tse argues that while john uses language drawn from the hebrew bible s descriptions of yhwh s dwelling place scholarship has overlooked the importance of his spatial transformation of that language tse thus uses theories relating to relevance resistance theory critical space theory and conceptual metaphor to demonstrate that a significant part of john s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live tse first demonstrates john s attempts to relegate his audience s experience of space to his own revelation john s description of the visionary world creates the metaphors the earth is a sanctuary and the saints are its priests tse argues that under this view life on earth must be evaluated according to the concerns of the sanctuary which by definition requires the removal of everything impure and the saints namely all christians in both the historic and visionary worlds must take priestly responsibility for the earth john therefore portrays the saints joining in the removal of all impurity upon the earth by fighting as priests in god and the lamb s war against satan babylon and all her impurities tse concludes that overall john means to realign the church s experience of space so that they understand themselves as priests of the sanctuary and live according to that reality
