if you've enrolled in an executive education or mba program you've probably encountered a powerful learning tool the business case this text presents a potent approach for analysing discussing and writing about cases

the case study method of teaching and learning adopted by business schools and management centres globally provides an important function in management education but employing it effectively can often be a challenge this book provides practical insights tools and approaches for both case teaching and writing drawing on perspectives from expert practitioners around the world this book aims to critically examine different approaches to using case studies in group based participant centred learning environments exploring good practices for case teaching and learning it provides guidance for case writers on various approaches to structuring case data presentational formats and the use of technology in the construction of different types of cases it also demonstrates the use of the case method as a tool for assessment supporting students own development of cases to showcase good practice in organisations the final

section of this book showcases some of the resources available providing links and reviews of additional material that can support future case teaching and writing practice including publication the case study companion is designed for lecturers using cases within their teaching across all management disciplines as well as those training for professional development and management education qualifications it will also be useful for postgraduate mba and executive education students wanting to make the most of case studies in their learning and assessments

script from the year 2017 in the subject business economics miscellaneous grade 1 0 language english abstract during the university you have to finish several case studies within this text the harvard business review case studies boise automation ensr international medical equipment inc and heidi roizen are covered not only solved by myself but also supported by lecturer notes and the results of the in class discussion each of the solutions mentioned in here are graded with full points

bringing together developments from the past 30years in contingent valuation this book examines the relative value of securities in a corporation s capital structure including debt of different priorities convertible debt common stock and warrants

seminar paper from the year 2015 in the subject business economics business management corporate governance grade 1 00 university of applied sciences vorarlberg language english abstract change is the norm and flexibility is a requirement so be prepared to deal with it a very meaningful sentence nowadays organizations and companies all over the world are confronted with change and the question how to manage it threatening external influences force organizational culture to arrange themselves with permanent change processes even if

there are no evident problems brewing imminent external disruptions like new competitors or technology the own cost structure or economy depression can take the organization by surprise too fast one way to deal with change is to prevent problems that weren't tangible but could arise from different change processes in and outside the organization this individual seminar paper is structured in by comparing the academically approach from well known economics literature with an actual case study with a practical approach in this context it is about a harvard business review article of november 20th 2015 called getting employees excited about a new direction by douglas a ready the main goal will be to analyse the change process with a reference to different theories and perspectives following by a practical transfer with possible suggestions or solutions

following world war ii the american government and philanthropic foundations fundamentally remade american universities into sites for producing knowledge about the world as a collection of distinct nation states as neoliberal reforms took hold in the 1980s visions of the world made popular within area studies and international studies found themselves challenged by ideas and educational policies that originated in business schools and international financial institutions academics within these institutions reimagined the world instead as a single global market and higher education as a commodity to be bought and sold by the 1990s american universities embraced this language of globalization and globalization eventually became the organizing logic of higher education in making the world global isaac a kamola examines how the relationships among universities the american state philanthropic organizations and international financial institutions created the conditions that made it possible to imagine the world as global examining the center for international studies harvard business school the world bank the social science research council and nyu kamola demonstrates that how we imagine the world

is always symptomatic of the material relations within which knowledge is produced

as the maker of ivory soap tide detergent and crest toothpaste procter gamble is a household name it is america s thirteenth largest company lauded by business schools as a model for success but behind p g s wholesome image is a control obsessed company so paranoid that wall street analysts employees and the chairman himself refer to it as the kremlin the company demands conformity and unquestioning loyalty from its employees who work in a strict and oppressive environment p g s wealth and power ensures it gets what it wants from tax breaks to the eager services of washington lobbyists in this explosive exposé wall street journal reporter alecia swasy who covered p g for three years tells the full chilling story of life within the p g behemoth drawn from interviews with over 300 former and current p g employees including ceo ed artzt visits to p g operations in five countries and thousands of court and company documents soap opera reveals the dirty tricks and draconian mind set of the company with the 99 44 100 pure façade included here is the real story behind p g s rely brand tampons and their link to women s deaths from toxic shock syndrome and how p g tried to suppress that evidence swasy takes us to taylor county florida where residents drink bottled water because p g s influence allowed the company to flood the local river with dioxin laden toxic waste from its paper mill among these and dozens of other examples of the company s cutthroat nature is swasy s own story of p g s unethical seizure of cincinnati phone records in an effort to track down her sources wonderfully readable and impeccably researched soap opera is a sobering look at the price of success in america

the 2002 edition of the harvard business school guide to careers in management consulting provides invaluable job search advice for the prospective management consultant harvard business school graduates students and faculty reveal firsthand insights into the industry
