please note this is a companion version not the original book sample book insights 1 the first person to go into a situation is often carrying a shotgun this is because the suspects have a very intense fight or flight reaction when they first see law enforcement officials they are usually doing drugs as well as selling them and this makes them about as violent and unpredictable as humans get 2 you should be able to

identify and dissolve most of the mind clouds that keep you from seeing your own north star this takes a lot of practice but it will bring you inner peace and help you build your outward empire 3 what we think would bring us happiness often won t bring us the satisfaction we seek what we re really after when we yearn for something is a feeling state in the spaces below write a word or two that best describes the feeling state you d get from having each of the things you want 4 the four feeling states we all desire are peace security belonging and comfort we think we ll get these feelings by getting anything from an olympic gold medal to our parents approval but external circumstances do not create feeling states feeling states create external circumstances
