100 Jahre Ich und Du
Ein neuer Blick auf Martin Bubers Philosophie des Dialogs
Heute kennt man Martin Buber vor allem als Übersetzer der hebräischen Bibel und als den Philosophen, der mit seiner Schrift *Ich und Du* vor genau 100 Jahren einen wesentlichen Beitrag zur Dialogphilosophie leistete, was bisher kaum wahrgenommen wurde.
Buber überwand nicht nur die Subjektorientierung des Idealismus durch ein Denken von dem Anderen her; er war auch ein ausgesprochener Philosoph der Gemeinschaft, der die Verantwortung des Individuums für die Anderen betonte.
Isabelle Fries rückt diesen Aspekt im Denken Martin Bubers in einzigartiger Weise ins Zentrum.
Vom Begriff der Gemeinschaft her analysiert sie das vielschichtige Werk Martin Bubers im jeweiligen biografischen und historischen Kontext.
Vor dem geschichtlichen Hintergrund der Umstürze und Katastrophen des 20. Jahrhunderts zeigt sie, wie sich Bubers Gemeinschaftsbegriff über seine Lebenszeit hinweg und in kritischer Resonanz zu den jeweiligen politischen Debatten entwickelt.
Dabei wird deutlich: Bubers Denken hat bleibende Aktualität und ein diagnostisches Potential, das dabei helfen kann, das miteinander in der pluralisierten Gesellschaft der Gegenwart zu gestalten.

rivka howitz s pioneering work traces the development of martin buber s 1937 masterpiece i and thou from its earliest stages

at the beginning of the twentieth century the tropes of messianism apocalypse and redemption which had been so central to the west s religious formation seemed spent forces in germany nietzsche had pronounced god as dead and theology seemed to be travelling the same secular route as philosophy but world war i changed that this book introduces some of germany s key thinkers in theology philosophy literature and social and political thought through their engagement with these previously discarded concepts they initiated a new and urgent dialogue between philosophy and theology this imaginative and innovative collection brings together essays by established scholars on messiamism redemption and apocalypse in twentieth century german thought major theologians such as barth buber bonhoeffer rahner pannenberg and moltmann are discussed alongside leading intellectuals such as adorno benjamin bloch heiddeger and rosenzweig literary figures such as kafka and george are also included the interfaces imply a different way of reading theology and challenge the reader to think what the implications of immanence in a specific philosophical culture are for the theological project some of the essays introduce thinkers who are little known to english speaking readers others cast new light on more familiar figures the collection as a whole contextualises german religious and philosophical thought on these crucial topics in very useful ways the dialogue at work in these pages is a very important one and should be carried further
