this book has one purpose to bring into focus for the reader something more than chronology can reveal of a character the thoughts of mary baker eddy are the substance of her life story they ripened into action led to discovery and garnered spiritual treasure for the world not merely a woman of new england nor of her century mrs eddy s history is found in her inspired published convictions and their continuing sequence of healing and redemption for humanity julia michael johnston

in the people s idea of god its effect on health and christianity mary baker eddy intricately examines the profound connection between humanity s perceptions of the divine and the implications these beliefs have on health and spiritual well being written during the late 19th century a time marked by religious fervor and scientific inquiry eddy employs a blend of philosophical reflection and theological discourse her literary style is both accessible and profound engaging readers with a narrative that invites contemplation on the nature of divinity and its tangible effects on human life particularly in the realms of health and moral integrity as the founder of christian science mary baker eddy s personal experiences including her own health struggles and a transformative healing significantly informed her writing she sought to establish a connection between spiritual understanding and physical well being which emerged from her own religious explorations and a desire to provide a comprehensive framework for healing that transcended contemporary medical practices her convictions about god s nature fuel her argument demonstrating how collective beliefs can shape cultural and personal health outcomes i highly recommend this enlightening work to readers interested in the intersections of spirituality health and religion eddy s insightful analysis not only challenges conventional perceptions of god but also encourages a deeper reflection on how these ideas shape our lives this book is essential for anyone looking to explore the spiritual dimensions of health and the christian faith

in rudimental divine science mary baker eddy presents a profound exploration of metaphysical principles and spiritual healing framed within the context of her groundbreaking christian science movement written in a concise and accessible style the book articulates the foundational aspects of her theology emphasizing the relationship between the divine the spiritual and the material world eddy employs a rational and systematic approach intertwining scripture with her insights to elucidate the power of thought and the importance of spiritual understanding in human healing thus positioning the work as a crucial text in 19th century religious literature as the founder of christian science mary baker eddy was deeply influenced by her own experiences with pain and recovery through spiritual means

ultimately culminating in the establishment of her faith her extensive background in metaphysical inquiry and early religious influences shaped her perspective enabling her to challenge conventional views on illness and wellness rudimental divine science serves as both a personal manifesto and a universal guide to achieving practical spirituality this book is highly recommended for readers interested in spirituality theology and alternative healing practices its insights into the connection between faith and wellness offer valuable perspectives for anyone seeking holistic approaches to health and a deeper understanding of the divine eddy s work continues to resonate inviting contemporary audiences to explore its rich spiritual dimensions in this enriched edition we have carefully created added value for your reading experience a comprehensive introduction outlines these selected works unifying features themes or stylistic evolutions the author biography highlights personal milestones and literary influences that shape the entire body of writing a historical context section situates the works in their broader era social currents cultural trends and key events that underpin their creation a concise synopsis selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists a unified analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts lastly our hand picked memorable quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes

famed science writer martin gardner had intended to write a short essay about mrs eddy but he became so fascinated by her life and personality that his work grew to book length written with humor insight and a wealth of detail this book will delight sceptics and infuriate true believers

daniel s prophetic dates 1866 and 1875 announced the second advent not until the fruitage of those years became evident was it possible to see the magnitude of its meaning for all mankind mary baker eddy s revelation of christian science in 1866 and her textbook science and health with key to the scriptures the little book published in 1875 aggravated the war against the woman and her remnant all of which is uncovered and documented in this vital book mr smillie s thorough defense of this god sent woman details the importance of her life and its heavenly message micah foresaw two messengers zechariah asked what be these two olive branches which empty the golden oil out of themselves these are the two anointed ones who stand by the lord of the whole earth st john records two witnesses or prophets apparently these two would teach the same message but the comforter which is the holy ghost whom the father will send in my jesus name he shall teach you all things and bring all things to your remembrance whatsoever i have said unto you this compilation of paul r smillie s articles written

over 2 decades is a must have for any serious christian scientist he explains in depth why it is important to recognize mary baker eddy s place in prophecy using her own words and many biblical passages and the consequences of little or no recognition articles included are loving our leader the father the prodigal and the citizen our leader s demonstration of generic man does god know mary baker eddy and christ jesus christian scientists and the child court cases gratitude or indifference love or deification

in 1866 a frail impoverished invalid middle aged widowed and divorced rose from her bed after a life threatening fall asked for her bible and took the first steps toward the founding of the christian science church four decades later she was revered as their leader by thousands of churches in the u s and europe had founded a national newspaper and had become probably the most powerful woman in america who was this astonishing woman the mother of the mother church how did she prepare for her illustrious career during her years of obscurity and what was her inspiration for the healing practices and doctrine of christian science gillian gill a non christian science scientist scholar who managed to win unparalleled access to the church archives offers here an entirely new look at mary baker eddy for the first time readers will see the extraordinary leadership skills exercised by mrs eddy despite the repressive forces facing women in her time for the first time we learn the full story of the bizarre attack on mrs eddy by joseph pulitzer and his new york world alleging that she was at least senile and possibly not even alive in this enthralling biography we rediscover mary baker eddy as a radical christian thinker pioneer in the recognition of mind body connections survivor of scandal and target of both admiration and scorn from such eminent contemporaries as mark twain gillian gill s sense of drama her critical acumen and her delicious wit bring to life a brilliant religious leader whose message has new meaning in our time

the thesis of this study is that christian science was a manifestation of the unrest gripping the united states after the civil war the age in which the movement flowered was at once sordid and gilded commercial and optimistic the stormy way through which the new religion passed was in a sense the road upon which all new ideas and schemes are tried mrs eddy s vision was subjected to reasoned and irrational scrutiny for 40 years in truth christian science belonged only tenuously to a modern era it reflected the prevailing optimism progressivism utopianism and feminism of the gilded age but did not illuminate the stage with a unique light of its own

a book introduces new thoughts but it cannot make them speedily understood it is the task of the sturdy pioneer to hew the tall oak and to cut the rough granite

future ages must declare what the pioneer has accomplished
