this anthology contains a collection of writings chosen for their unique insights into argentina s dirty war during which an estimated 10 000 to 30 000 citizens were killed by argentina s military dictatorship it includes writings that detail the factors that gave rise to the conflict and first person narratives are provided to give the reader insight into the thoughts of the people who experienced the events critical information is broken out and

encapsulated into charts timelines and graphs maps are provided detailing key geographic information

the organization genocide watch estimates that 100 million civilians around the globe have lost their lives as a result of genocide in only the past sixty years over the same period the visual arts in the form of documentary footage has aided international efforts to document genocide and prosecute those responsible but this book argues that fictional representation occupies an equally important and problematic place in the process of shaping minds on the subject edited by two of the leading experts in the field the history of genocide in cinema analyzes fictional and semi fictional portrayals of genocide focusing on amongst others the repression of indigenous populations in australia the genocide of native americans in the 19th century the herero genocide armenia the holodomor stalin s policy of starvation in ukraine the nazi holocaust nanking and darfur comprehensive and unique in its focus on fiction films as opposed to documentaries the history of genocide in cinema is an essential resource for students and researchers in the fields of cultural history holocaust studies and the history of film

this book traces narrative strategies in griselda gambaro s novels to the grotesco criollo and to the broader grotesque tradition these are analyzed with an emphasis on their critique of social relationships within the argentine political system and male

based on a true story the jacarandas is about a brutal and morally challenging world and yet where human dignity and forgiveness find a way to break through the darkness daniel is a university student who joins the federal police hunting leftist subversives in buenos aires during argentina s dirty war in the 1970s but it s an occupation that eats its young and he soon learns that besides fitness and hate the military regime requires loyalty batons and electric prods and the disappeared when daniel returns to the university as an infiltrator in this subversive hotbed he begins a struggle between duty and morality and between friendship and survival the jacarandas is the story of the purple bloom of the jacaranda tree whose beauty and messiness are the inextricably intertwined saga that has always been argentina it s an untold perspective on this dark stain in argentina s history that sears its social conscience even today

1 2 purposes of the study

examines argentine activities in central america from 1977 to 1984 and looks at the history and nature of the argentine base of operations⁶ in the united states and the argentine international links with anti communists

presents an alphabetically arranged encyclopedia with over three hundred fifty entries depicting genocide and war crimes from ancient history through the twenty first century and includes information on the various individuals and groups that have been targeted courts and tribunals and various sorts of reparations

written from a marxist feminist perspective this study examines issues surrounding latin american women men and the nation it looks at development education and history as well as the speeches of eva peron to offer insight into the roles and stereotypes of argentinian women

a compilation of current information on cultural geographical and political conditions in the countries and cities of six continents based on the department of state s post reports

this is a general bibliography on latin america covering a wide variety of subjects from pre columbian civilizations to columbus to castro to the foreign debt to pollution ect this work will not only be of use to the general casual reader on latin america but also to the more specialized researcher the book contains over 800 topics with over 8 000 titles identified

argentines ask how their ultracivilized country reputedly the most european in latin america could have relapsed into near barbarism in the 1970s this enlightening study seeks to answer that question by reviewing the underlying political events and intellectual foundations of the dirty war 1975 1978 and overlapping military process 1976 1982 it examines the ideologies and actions of the main protagonists the armed forces guerrillas and organized labor over time and traces them to their roots in the most comprehensive treatment of the subject to date hedges examines primary materials never seen by other researchers including clandestinely published guerrilla documents and interviews important actors in argentina s political drama his wide ranging scholarship traces the origins of the national security and national salvation doctrines to the spanish inquisition sixteenth century witch hunts and nineteenth century reactions to the modernizing ideologies of liberalism democracy socialism and communism hedges posits that the dirty war military process and revolutionary war to which they responded represented the culmination of social tensions that arose in 1930 with the launching of the military era by argentina s first successful twentieth century coup he offers the disquieting hypothesis that as long as the argentine question remains unsettled the military may intervene again the resistance movement will remain strong and violence may continue even under a democratic government

clippings of latin american political social and economic news from various english language newspapers
