philosophy in philosophical counseling unasked questions open answers offers a base for criticizing approaches

to philosophical counseling that fail to be philosophical or relevant to the counselees concerns it analyses the impact of tacit unexamined philosophical assumptions and examines their influence on the search for solutions while explaining how such assumptions may obstruct that search ora gruengard argues that conversations in which the participants disagree with each other are the adequate context for calling tacit assumptions into question and exploring alternatives her research shows how philosophical assumptions change in informal conversations and illuminates their important role in education religious guidance and psychological treatments nevertheless philosophical issues are best dealt with in explicit philosophical dialogues in which counselees are respected as philosophical partners who are encouraged to think critically and make their own judgments this book addresses counselors dilemmas by presenting examples of hypothetical counseling conversations and true sessions with real people gruengard also discusses what kind of philosophical knowledge and expertise is necessary for doing the job adequately
