early modern women's writing and the future of literary history demonstrates that a full accounting of early modern women's literary and creative activities is necessary to the future of literary studies writ large despite benefiting from a rich body of scholarship and diverse critical practices early modern women's writing is still treated as an optional or secondary component of renaissance literary studies as a whole in this book dodds and dowd offer a state of the field assessment of the critical and theoretical debates that have resulted in this state of affairs in order to advance specific visions for the future dodds and dowd examine how perennial questions about authorship canon and literary value have historically influenced scholarship on early modern women's writing and its place within literary studies early modern women's writing has been perceived

as belated out of sync with dominant critical trends dodds and dowd show the belatedness of early modern women s writing to be a happy accident that positions women s writing as a resource for the renewal of literary history in both the classroom and in scholarship early modern women s writing shows the way forward for the field whether in the revitalization of formalist approaches to literature through an alliance with feminism or in the integration of newer critical methodologies such as premodern critical race studies this book demonstrates that a feminist literary history that places women s writing at its center is essential to the future of english renaissance literary studies there is in other words no history of english renaissance literature without women writers

perverse feelings poe and american masculinity examines white masculinity in poe s fiction and the culture it represents poe s men are tormented by chronic illness deviant attachments and ugly emotions as it analyzes these afflictions this book illuminates the pathologies of american masculinity that emerged in a terrible history of imperialism capitalism racism misogyny and homophobia one of its central contentions is that we can better understand a past and present american masculinity through a reckoning with its perverse feelings more pointedly this book asks what does masculinity feel what does white american masculinity feel in the first decades of nation formation what does it feel in the crucible of its revolution its slave system its democracy its nascent capitalism and its pursuit of happiness what feelings besiege and beleaguer poe s men and what can they teach us about the antagonisms of contemporary white american masculinity

the nineteenth century was a period of prolific literary production from women writers including figures such as louisa may alcott harriet jacobs and zitkala Ša who played pivotal roles in american literary history despite facing societal forces aimed at silencing them women writers found ways to assert their voices and contribute to the intellectual and political debates of the era their works contribute to conversations on a wide

range of topics including art gender social reform slavery abolition economic and social inequality national expansion native american dispossession and the changing identity of the nation both retrospective and forward looking their written works found diverse audiences of men women and children this book functions as a comprehensive guide to understanding the breadth of nineteenth century women s writing exploring not only the writers and their texts but also the literary periods genres and key cultural historical and social movements that shaped their works by examining these authors impact on american literary traditions and their role in cultural discourse it highlights the lasting relevance of their work in both historical and contemporary contexts
