a rigorous historical and philosophical examination of the controversial spiritual masters who guided madame h p blavatsky in opening the world to eastern and esoteric spirituality in the late nineteenth century in the late nineteenth century russian noblewoman and occult philosopher madame h p blavatsky enthralled the world with revelations of an ancient secret doctrine behind the major faiths and a cosmic theology that united the insights of religion and science blavatsky said she was operating under the guidance of hidden masters of wisdom or mahatmas who led her to reveal forgotten wisdom to modern people the mythos of blavatsky s masters left a deep mark on western culture and spawned more than a century of debate were the masters real what did they teach are they reachable today now independent scholar of religion edward abdill provides an authoritative historically reliable and delightfully readable study of the background and ideas of the masters in particular highlighting their message and its enduring relevance

many women wrote philosophy in nineteenth century britain and they wrote across the full range of philosophical topics yet these important women thinkers have been left out of the philosophical canon and many of them are barely known today the aim of this book is to put them back on the map it introduces twelve women

philosophers mary shepherd harriet martineau ada lovelace george eliot frances power cobbe helena blavatsky julia wedgwood victoria welby arabella buckley annie besant vernon lee and constance naden alison stone looks at their views on naturalism philosophy of mind evolution morality and religion and progress in history she shows how these women interacted and developed their philosophical views in conversation with one another not only with their male contemporaries the rich print and periodical culture of the period enabled these women to publish philosophy in forms accessible to a general readership despite the restrictions women faced such as having limited or no access to university education stone explains how these women became excluded from the history of philosophy because there was a cultural shift at the end of the nineteenth century towards specialised forms of philosophical writing which depended on academic credentials that were still largely unavailable to women
