why has cinema become so closely acquainted with the design disciplines and vice versa what valuable or significant experience can come out from this brotherhood both in terms of substantial and in terms of representative means what seems to be more promising in terms of theory making both in design and in cinema is the substantial dimension of their relationship since it points to an essential change in our conception of existence and space the timelessness of optic space replaced by the time bounded experientiality of haptic space this also brings about different theoretical elements for analysis by leaving the subject and the object aside and looking into what their relations have produced the outcome being patterns of experience which exist somewhere between the lived and the made i e being abstract and concrete at the same time and finally this is where cinema becomes a poetic medium and an important tool for representing the so called patterns design and cinema form follows film is interested in seeing those patterns in terms of formal categories thought to be representation of certain experiences the book is organized in two parts discourse on form and film and works on form and film the first part of the book â discourse â is intended to give a picture of current thought on the formal categories introduced here as existential narrative structural constructive temporal digital social and fragmental the second part of the book presents works conducted either in the form of workshops or films as expressive media of the formal categories discussed in the first part the volume presents works of juhani pallasmaa gÃ1 4l kale ayÅye n erek ayÅye e c orlandi andong lu françois penz marshall deutelbaum ferenc bonÃ c dilek altuntaÅy halit refiÅy arthur lizie tuÅyyan a dural fatoÅy adiloÅy lu seçkin kutucu lutz robbers tÃ1 4rker armaner feride Å içekoÅy lu alex mcdowell gÃ1 4l k erk joaquim moreno aydÃ n h polatkan helmut weihsmann ayÅye ÅzentÃ1 4rer julie talen olga vâsques ruano otto von busch henric benesch belkÃ s uluoÅy lu and iÅyÃ l b serim
