the articles collected in into life franz rosenzweig on knowledge aesthetics and politics focus on the significance of franz rosenzweig s work far beyond the realms of theology and philosophy of religion they engage with a wide range of issues in philosophy and offer new insights both by presenting an array of unpublished and underestimated sources and by bringing rosenzweig s thought into dialogue with new approaches and interlocutors such as stanley cavell william alston carl schmitt and martin heidegger the result is a refreshing and original perspective on the work of one of the most significant thinkers of the twentieth century

the relationship between philosophy and jewish thought has often been a matter of lively discussion but despite its long tradition and the variety of positions that have been taken in it the debate is far from being closed and keeps meeting new challenges so far research on this topic has mostly been based on historically diachronic references analogies or contacts among philosophers and jewish thinkers the contributors to this volume however propose another way to advance the debate rather than adopting a historical approach they consider the intersections of philosophy and jewish thought from a theoretical perspective

mara benjamin argues that rosenzweig s reinvention of scripture illuminates the complex interactions between modern readers and ancient sacred texts

this book looks back in order to look forward it is a sustained reflection on the great disillusion europe experienced after world war i europeans understood that bombs had buried the enlightenment they knew that to avoid catastrophe they had to think anew the catastrophe came but cohen benjamin kafka and rosenzweig had sounded the warning

artists under hitler closely examines cases of artists who failed in their attempts to find accommodation in the nazi regime as well as others whose desire for official acceptance was realised they illuminate the complex cultural history of this period and provide haunting

portraits of people facing excruciating choices and grave moral questions

early in his career hitler took inspiration from mussolini this fact is widely known but an equally important role model for hitler has been neglected atatürk the founder of modern turkey who inspired hitler to remake germany along nationalist secular totalitarian and ethnically exclusive lines stefan ihrig tells this compelling story
