the time has come for max and her winged flock to face their ultimate  
enemy and discover their original purpose to defeat the takeover of  
re evolution a sinister experiment to re engineer a select population  
into a scientifically superior master race and to terminate the rest  
max fang iggy nudge gasman and angel have always worked together to  
defeat the forces working against them but can they save the world  
when they are torn apart living in hiding and captivity halfway  
across the globe from one another

fourteen year old maximum ride knows what it's like to soar above the  
world she and all the members of her flock fang iggy nudge gasman and

angel are just like ordinary kids except they have wings and can fly it may seem like a dream come true to some but for the flock it's more like a living nightmare when the mysterious lab known as the school turns up and kidnaps their youngest member it's up to max to organize a rescue but will help come in time

fourteen year old maximum ride better known as max knows what it's like to soar above the world she and all the members of the flock fang iggy nudge gasman and angel are just like ordinary kids only they have wings and can fly it may seem like a dream come true to some but their lives can morph into a living nightmare at any time like when angel the youngest member of the flock is kidnapped and taken back to the school where she and the others were genetically engineered by sinister scientists her friends brave a journey to blazing hot death valley ca to save angel but soon enough they find themselves in yet another nightmare this one involving fighting off the half human half wolf erasers in new york city whether in the treetops of central park or in the bowels of the manhattan subway system max and her adopted family take the ride of their lives along the way max discovers from her old friend and father figure jeb now her betrayed and greatest enemy that her purpose is save the world but can she

escaping itex in florida the flock head west with max more burdened than ever by the knowledge that she's meant to save the world but while their leader is keen to stay on the path leading to her destiny fang and the others are more interested in settling down and letting the chips fall where they may with the erasers eerily absent from their lives of late has the flock finally earned a bit of peace or is this all just the calm before the storm

narrowly surviving their encounter with erasers in new york city the flock is following up a lead on their pasts in washington d c but what they find waiting for them is a home how will the flock adjust to a real school one that doesn't involve mad scientists and genetic freaks

joining a scientific expedition gives max and the flock a perfect opportunity to distance themselves from the heated debate over their future but when a traitor is found among them and a member of the flock goes missing they soon realize that frostbite isn't the only danger in the antarctic

the flock members try to live normal lives by going to school and making friends while they search for their parents but when the erasers return the group must escape again and max finds that her destiny is to save the world

volume 9 maximum ride and the other members of the flock have barely recovered from their last arctic adventure when they are confronted by the most frightening catastrophe yet millions of fish are dying off the coast of hawaii and someone or something is destroying hundreds of ships unable to discover the cause the government enlists the flock to help them get to the bottom of the disaster before it is too late while max and her team are exploring the depths of the ocean their every move is being carefully tracked by mr chu a criminal mastermind with his own plans for the flock can they protect themselves from mr chu s army of mercenaries and save the ocean from utter destruction

max and her winged friends must face the ultimate enemy and stop a plot to re engineer a select population into a scientifically superior master race that will terminate the rest of humankind
