shortly after taking office as georgia s appointed united states senator in 2002 following the death of incumbent republican senator paul coverdell former governor zell miller stunned the political world with his tilt away from a moderate liberal to a conservative politician he further shocked political leaders particularly in his own democratic party when he openly embraced the candidacy of republican president george bush for reelection in 2004 in the interim miller voted for most of bush s conservative agenda in the congress and lambasted his fellow democrats in and out of the senate as out of touch with contemporary american values he also accused democratic leaders of being overtly biased toward his native south most of these views were also expressed in his best selling book a national party no more the conscience of a conservative democrat which was published in 2003 this book investigates what some democrats have called the miller betrayal in the context of the politics of region class gender and race it seeks to explain miller s political turn about by detailing his southern origins and his devotion to what he and other southerners view as a unique southern heritage based upon christian and patriotic values professor hornsby insightfully explores how miller s southern values evolved and changed over time leading to his oft times radical swings in positions on major political economical and social issues prior to his term as senator in washington miller had already acquired the name zig zag

zell as a two term georgia governor while political leaders and journalists alike have exhaustively attempted to explain zell s baffling political conversion this is the first work to study the topic derived from what scholars have defined as southernism in terms of basic historical and contemporary issues
