is moxibustion too difficult to apply too risky or too smoky discover the effective new  
moxa method from japan that gets rapid results safely moxibustion is ancient even  
more ancient than needling in modern acupuncture however it is often considered too  
time consuming or difficult to master and yet the classics say for chronic conditions  
moxa has no equal coming to the rescue of time poor present day acupuncturists is the  
ontake method from japan this innovative technique uses a piece of bamboo filled with  
burning moxa wool to roll tap and press on the acupuncture meridians using a  
metronome programmed to each meridian s frequency the rhythmic application of heat  
frequency and pressure triggers rapid shifts in your patients body condition and mood  
but this method generates only a little smoke in this book you will learn dr manaka s  
meridian frequencies and how to apply them branch treatments for symptom relief root  
treatments for whole body regulation the integration of dr tan s holographic models  
with ontake for the rapid relief of pain in the neck back and joints moxa in motion  
presents a step by step guide to clinical practice utilising the ontake method easily  
integrated into any style of acupuncture shiatsu or tuina the ontake method will boost  
your results and build your practice oran kivity is a veteran acupuncturist from the uk  
living in asia he has dedicated countless hours of clinical observation and study to  
integrate the knowledge of contemporary japanese masters through writing and  
teaching he has ignited interest in ontake a remarkable new moxa tool from japan  
developing these dynamic new techniques further and compiling them into this

practical handbook of moxibustion
