ce livre propose un cadre théorique ambitieux qui permet de décliner par un regard qui privilégie l'espace les différentes dimensions de la mondialisation ses flux économiques ses configurations anthropologiques sa géopolitique et sa politique certaines plus spécifiquement géographiques villes mobilité télécommunication émergence d'un ou plusieurs espaces pertinents sur l'étendue de la planète terre la mondialisation est fondamentalement un événement géographique le premier de cette ampleur à être explicité pensé et discuté en même temps qu'il se produit la mondialisation change les sciences sociales elle oblige à revoir des cadres de pensée liés au cadre national dans lequel et pour lequel ils ont été construits en géographie c'est notamment le cas des notions de lieu de territoire de réseau

de monde et d'humanité la mondialisation invente un nouvel échelon qui force au réagencement de l'ensemble des autres niveaux à l'encontre d'une idée courante elle ne détruit pas les lieux préexistants elle n'est pas la victoire du général sur le particulier elle instaure de nouveaux rapports pas nécessairement conflictuels entre le singulier et l'universel les acteurs mondialisants sont aussi mondialisés et tout se joue en tension entre ces deux logiques l'individu est le grand gagnant du processus alors que les communautés malgré de nouvelles ressources se trouvent menacées les entreprises changent pour s'adapter à ce nouvel environnement et les états doivent passer d'une géopolitique à leur échelle à la politique au-delà finalement la mondialisation dessine un nouvel espace d'enjeux pour les citoyens horizons de développement choix complexes parmi les différentes natures possibles options de gouvernance dans un monde politique à inventer le mot humanité prend un nouveau sens qui s'émancipe de ses anciennes significations abstraites ou utopiques l'invention du monde c'est maintenant et c'est ici

mcdonald s restaurants are found in over 100 countries serving tens of millions of people each day what are the
cultural implications of this phenomenal success the widely read and widely acclaimed golden arches east argues that
mcdonald s has largely become divorced from its american roots and become a local institution for an entire
generation of affluent consumers in hong kong beijing taipei seoul and tokyo in the second edition james l watson
also covers recent attacks on the fast food chain as a symbol of american imperialism and the company's role in the
obesity controversy currently raging in the u s food industry bringing the story of east asian franchises into the
twenty first century praise for the first edition golden arches east is a fascinating study that explores issues of
globalization by focusing on the role of mcdonald s in five asian economies and concludes that in many countries
mcdonald s has been absorbed by local communities and become assimilated so that it is no longer thought of as a
foreign restaurant and in some ways no longer functions as one nicholas kristof new york times book review this is
an important book because it shows accurately and with subtlety how transnational culture emerges it must be read
by anyone interested in globalization it is concise enough to be used for courses in anthropology and asian studies

introduction to the mcdonald s phenomenon mcdonald s one of the largest fast food chains in the world is not just a
household name but a global phenomenon its products are consumed on an impressive scale and most intriguingly
they have the power to create a sensory experience that keeps its consumers coming back for more almost addictively

but what makes the taste of mcdonald s so irresistible in this chapter we ll explore how food science taste psychology and product manufacturing processes play a crucial role in creating an experience that keeps customers coming back to your stores around the world the central idea is that the combination of taste texture presentation and even social interaction play a central role in building this obsession with a brand s products throughout this book we ll unravel the psychology behind mcdonald s as well as its food strategies we ll focus on how mcdonald s doesn t just create food but creates an immersive and addictive experience practical example imagine walking into a mcdonald s the smell that envelops the room the crunchy texture of the fries and the softness of the burger buns each of these elements is carefully designed to provide immediate sensory pleasure creating the sensation that makes you want more this sensation is not an accident but rather the result of detailed studies on the behavior and neuroscience of taste

mcdonald s it is the world s premier entrepreneurial success story a company whose growth worldwide continues to be astonishing in tough financial times mcdonald s proved that ingenuity trial and error and gut instinct were the keys to building a service business the entire world has come to admire in the years since mcdonald s behind the arches was first published mcdonald s has been a trendsetter in advertising focusing on different ethnic groups as well as the physically disabled mcdonald s created mcjobs a program that employs both mentally challenged adults and senior citizens and because its franchisees have their fingers on the pulse of the marketplace mcdonald s has evolved successfully with the health food revolution launching dozens of new products and moving toward environmentally safe packaging and recyclable goods inspiring informative and filled with behind the scenes stories this remarkable saga offers an irresistible look inside a great american business success from the trade paperback edition

what is it about mcdonald s that has enabled it to produce more millionaires from within its ranks than any company in history what earns the undying respect and loyalty of its franchisees vendors and 47 million customers served daily from moscow to evansville to rio de janeiro and how does it continue to expand its products retool its image and become more popular with each passing year few authors are as qualified to answer those questions as company insider paul facella beginning behind the counter at age 16 paul literally grew up at mcdonald s from counter to grill to regional vice president he has over the course of his distinguished 34 year career developed an

intimate knowledge of the fast food giant's management practices and culture he's also forged personal ties to its legendary leaders including founder Ray Kroc and CEOs Fred Turner, Mike Quinlan, Jack Greenberg, former president Ed Rensi, and current CEO Jim Skinner. Everything I know about business I learned at McDonald's delivers an up-close and personal look at a company where talent is cultivated and encouraged to thrive from the individual restaurant to the corner office. With the help of in-depth interviews and in their own words, commentaries from company executives, franchisees, and vendors, he explores McDonald's result-driven culture and reveals the core principles first laid down by founder Ray Kroc in 1955 that have successfully guided the company for more than five decades. Finally, Paul distills all that knowledge and experience into powerful lessons on teamwork, leadership, integrity, communication, and relationship building that you'll use to achieve stellar results in your company, whether your goal is to build an international business empire of your own or just the best darned shop in town.
