somali is spoken by more than nine million people in the horn of africa and by expatriate communities in the middle east europe and north america it is the official language of somalia and an important regional language in ethiopia and kenya as a cushitic language somali is part of the great afroasiatic language family whose other branches include semitic berber chadic and ancient egyptian this book provides a comprehensive description of the grammar of the language that will be of interest to non specialists and linguists interested in typology and language comparison the author s accessible investigation of the phonology morphology syntax and discourse structure allows the reader a clear view of the linguistic character of somali and through somali of a cushitic language a further important feature of the book is its use of authentic data from a range of sources including

prose poetry and proverbs

when the somali republic received independence its parliamentary government decided to adopt three official languages english italian and arabic all languages of foreign contact since the vast majority of the nation's citizens spoke a single language somali which then had no written form this decision made governing exceedingly difficult selecting any one language was equally problematic however because those who spoke the official language would automatically become the privileged class twelve years after independence a military government was able to settle the acrimonious controversy by announcing that somali would be the official language and latin the basic script it was hoped that this choice would foster political equality and strengthen the national culture politics language and thought is an exploration of how language and politics interrelate in the somali republic using both historical and experimental evidence david d laitin demonstrates that the choice of an official language may significantly affect the course of a country's political development part i of laitin's study is an attempt to explain why the parliamentary government was incapable of reaching agreement on a national script and to assess the social and political consequences of the years of nondecision laitin shows how the imposition of nonindigenous languages produced inequalities which eroded the country's natural social basis of democracy part 2 attempts to relate language to political thought and political culture analyzing interviews and role playing sessions among somali bilingual students laitin demonstrates that the impact of certain political concepts is quite different when expressed in different languages he concludes that the implications of choosing a language are far more complex than previously thought because to change the language of a people is to change the ways they think and act politically

this is a completely new edition of the only scholarly work on the poetry of popular and mass culture among a people who are renowned for their passion for poetry johnson traces the heello movement from its origins as a youth culture which in its early days was concerned with themes of love and pleasure it later became the medium for freedom songs in the preindependence period for the expression of modern political ideas political protest rallying songs and social comment many examples of which are cited in this volume heello became the most dynamic form of somali poetry in this century this edition uses modern somali script

in the last three decades somalia has been associated with such horrible terms as state collapse civil wars foreign intervention warlordism famine piracy and terrorism this depiction was in contradiction to its earlier images as the cradle of the human race the kernel of ancient civilizations the land of punt a homogeneous nation state and the first democratic state in africa so how did things fall apart in the country this volume 1 of a two volume narrative dr abdullahi explores the history of the people of somali peninsula since ancient times the advent of islam and colonialism the rise and fall of somali nationalism and the perspectives of the somali state collapse the book uses a unique thematic approach and analysis to make sense of somali history by emphasizing the responsibility of somali political elites in creating and perpetuating the disastrous conditions in their country

by combining oral tradition with traditional historiography cassanelli reveals the interplay of the precolonial environmental social economic and

religious forces

this latest edition of a modern history of the somali brings i m lewis s definitive history up to date and shows the amazing continuity of somali forms of social organization lewis s history portrays the ingeniousness with which the somali way of life has been adapted to all forms of modernity

somalia the horn of africa nation is finally recovering from recent wars and famine written by a native somali culture and customs of somalia gives students and interested readers an in depth look at the land and people past and present it is the only accessible comprehensive and up to date general reference on this country somalia was once colonized by europeans but abdullahi s superb survey with its historical context evokes a somaliland from a somali viewpoint this muslim country has strong pastoral roots and is known as a land of poets with a long oral cultural tradition some highlights found herein include discussion of handcrafts and artisanry distinctive architecture and nomad housing camel culture intriguing food and eating customs rites of passage leisure and economic pursuits education and the somali musical genres a chronology glossary and numerous photos enhance the text

this book is about somali mothers and daughters who came to britain in the 1990s to escape civil war many had never left somalia before followed nomadic traditions did not speak english were bereaved and were suffering from ptsd their stories begin with war and genocide in the north followed by harrowing journeys via refugee camps then their arrival and survival in london joanna lewis exposes how they rapidly recovered mobilising their networks social capital and professional skills crucial to the recovery of the now breakaway state of former british somaliland these women bore a huge burden but inspired the next generation with many today caught between london and a humanitarian impulse to return home lewis reveals three histories firstly the women s personal history helping us to understand resilience as an individual lived historical process that is both positive and negative and both inter and intra generational secondly a collective history of refugees as rebuilders offering insight into the dynamism of the somali diaspora finally the forgotten history and hidden legacies of britain s colonial past which have played a key role in shaping this dramatic sometimes upsetting but always inspiring story the power of women to heal the scars of war

analyses the crucial episodes in the recent political history of the somali people in their complicated dialogue with modernity the somalis illustrate both extremes of modern african statehood in contemporary somalia they have produced the most extreme example of a failed state while in the somaliland republic they have achieved what is regarded as the most democratic state on the continent

an exploration of the somali crisis which reveals the political cultures of somalia and somaliland in the process and the underlying complexities that can result in the collapse or sustained development of a society dr adam explores how the indigenous political structures of somalia and somaliland foster local initiatives in peace building and democratic governance whilst examining the inner workings of the siyad dictatorship and its militarism

and the civil wars of somali past

no detailed description available for somali nationalism

this book is very helpful for travelers to somalia included in the book are vocabulary sections a phrasebook pronunciation and a brief outline of the language s grammar rules and information on local culture

explores the experiences of women in somalia and how they have survived the trauma of war

an analysis challenging contemporary anthropological understanding of kinship structures
