culture and customs of the philippines provides the best general overview to the asian archipelago and to a people with close ties to the united states and a long history of emigration and contributions to this country the volume emphasizes how the strong indigenous philippine culture meshes with constant influences from the west rodell a specialist in philippine history and society superbly evokes the breadth of the philippines for students and the general public the wide variety of philippine traditions is seen in each

topic covered the land people and history religion and thought literature and art architecture cuisine and fashion gender marriage and family festivals media film and leisure activities music and dance and social customs and lifestyle culture and customs of the philippines is crucial to multicultural reference collections today needing authoritative information on contemporary asia that will capture readers attention interest in the philippines a former u s colony is especially high some highlights of the volume include discussion of the tagalog the principal ethnic group the amalgamation of christian folk and muslim beliefs the bahay kubo the rural house style and the all important philippine family a chronology glossary and numerous photos enhance the text

world war ii began for the united states with the japanese attack on pearl harbor december 7 1941 followed by the invasion of the philippine islands the next day unlike the rapid capture of hong kong wake island and singapore the war in the philippines lasted for seven months before the unprepared american and filipino forces cut off from supplies and fighting with obsolete equipment and without air or naval support were overwhelmed drawing on diaries and personal accounts this book chronicles forgotten actions in the fall of the philippines through the recollections of american servicemen the author covers the 90 day perseverance of bataan s tiny air force the first pt boat raid of the war the last u s horse cavalry charge in history a lone u s submarine s attack on a japanese invasion fleet the deliberate bombing of bataan s main field hospital by the japanese the difficult and uneasy surrender of bataan corregidor s doomed resistance and the surrender of the southern islands of the archipelago

a history of the philippines is a book by david barrows it presents an introduction into the study of the history of malaysia intended for pupils in the public high schools of the philippines

a unified nation with a single people the philippines is also a highly fragmented plural society divided between uplander and lowlander rich and poor christian and muslim between those of one ethnic linguistic and geographic region and those of another the nation is a complex mosaic formed by conflicting forces of consensus and national identity and of division and instability it is not possible to comprehend the many changes in the philippines such as the rise and fall of ferdinand marcos or the revolution that toppled him without an awareness of the religious cultural and economic forces that have shaped the history of these islands these forces formed the focus of the first edition of the philippines of that 1982 edition the late benigno aquino jr noted that anyone wanting to understand the philippines and the filipinos today must include this book in his must reading list the fourth edition has been updated through the final years of the ramos presidency and contains a new section on the impact of president estrada

unlike other conventional histories the unifying thread of a history of the philippines is the struggle of the peoples themselves against various forms of oppression from spanish conquest and colonization to u s imperialism constantino provides a penetrating analysis of the productive relations and class structure in the philippines and how these have shaped and been shaped by the role of the filipino people in the making of their own history additionally he challenges the dominant views of spanish and u s historians by

exposing the myths and prejudices propagated in their work and in doing so makes a major breakthrough toward intellectual decolonization this book is an indispensable key to the history of conquest and resistance in the philippine

the story of this nation of over seven thousand islands from ancient malay settlements to spanish colonization the american occupation and beyond a history of the philippines recasts various philippine narratives with an eye for the layers of colonial and post colonial history that have created this diverse and fascinating population it begins with the pre westernized philippines in the sixteenth century and continues through the 1899 philippine american war and the nation s relationship with the united states controlling presence culminating with its independence in 1946 and two ongoing insurgencies one islamic and one communist award winning author luis h francia creates an illuminating portrait that offers valuable insights into the heart and soul of the modern filipino laying bare the multicultural multiracial society of contemporary times

introduces the history geography government natural resources industry culture and people of this country of seven thousand islands
