here in this remarkable collection from american heritage such noted authors as tom brokaw wallace stegner john lukacs and others bring to life many of the most famous men and women of the old west from lewis and clark to charles frémont billy the kid wyatt earp chief joseph frederick remington the defenders of the alamo the texas rangers and the riders of the pony express it also shines a light on topics such as the origins of scalping the famous lincoln county war the grim medical reality of western gunfights cowboy jargon and the first rodeo

miners loggers railroad men and others flooded into the american west after the discovery of gold in 1848 and entertainers seeking to fill the demand for distraction from the workers daily toil soon followed actors actresses and traveling troupes crisscrossed the american frontier performing in tents saloons fancy theaters and the open air this exploration of the heyday of popular theater in the old west chronicles its emergence and growth from 1850 to the early twentieth century here is the story of the men and women who provided myriad types of entertainment in the old west and

brought excitement laughter and tears to generations of pioneers

the world of the american west is an innovative collection of original essays that brings the world of the american west to life and conveys the distinctiveness of this diverse constantly changing region twenty scholars incorporate the freshest research in the field to take the history of the american west out of its timeworn cowboys and indians stereotype right up into the major issues being discussed today from water rights to the presence of the defense industry other topics covered in this heavily illustrated highly accessible volume include the effects of leisure and tourism western women politics and politicians native americans in the twentieth century and of course oil with insight both informative and unexpected the world of the american west offers perspectives on the latest developments affecting the modern american west providing essential reading for all scholars and students of the field so that they may better understand the vibrant history of this globally significant ever evolving region of north america

in b m bower 26 novels 16 tales of the old west illustrated readers are invited into the richly textured world of the american west as articulated by one of its earliest female writers bower s works capture the spirit of adventure romance and the rugged individualism synonymous with frontier life the illustrated collection effectively complements her vivid prose evoking the landscapes and characters that defined this transformative era combining elements of realism with melodrama bower s narrative style reflects both the challenges and triumphs of her time and offers a nuanced perspective of western mythology through well crafted storytelling b m bower born in 1871 was a trailblazer during a period when women s voices were often marginalized her upbringing in montana s frontier exposed her to the dynamics of pioneer life fostering her admiration for the grit and resilience of those who tamed the land bower s dedication to authenticity is evident she often drew from her own experiences and the tales shared by those around her her significant contributions helped shape the genre of western fiction and her works remain a testament to the complexities of gender and representation in literature this illustrated anthology is a treasure for both scholars and casual readers alike offering not just a collection of engaging tales but also a vital glimpse into the historical context of the american west through the lens of a pioneering woman writer bower s novels and stories illuminate the cultural narratives that continue to inspire and inform contemporary interpretations of the western genre in this enriched edition we have carefully created added value for your reading experience a comprehensive introduction outlines these selected works unifying features themes or stylistic evolutions a historical context section situates the works in their broader era social currents cultural trends and key events that underpin their creation a concise synopsis selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists a unified analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts lastly our hand picked memorable quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes

contains over five hundred fifty illustrated photographs of stetsons boots spurs saddles chaps and other trappings of the american western cowboy and cowgirl and traces the history of the cowboy from the cattle trails of the old west to the wild west shows and rodeos

most of the gamblers of the old west got their start and reputations by working the circuit of the mississippi river boats the railhead cattle towns of kansas or the boomtowns that popped up around gold or silver mining the gunfighter ben thompson got his start by running the bull s head saloon with partner phil coe in ellsworth kansas ben s friend bat masterson also started his career in the cattle towns of texas and kansas in general these legendary gamblers were known as legitimate or that they played a fair game without cheating truth be told all of them knew the methods employed by the sharps to clean the pockets of the other players at the table they had to know these tricks in order to spot a cheater at their table did they ever use any of these advantages to increase their odds probably so but the public s perception of these men was that they ran a square game hip pocket history of the old west series this compact book that gives concise accounts of odd or little known facets of the american west historically accurate but told in an easy to read format with just a twist of humor informative yet entertaining the hip pocket history series provides little nuggets without having to wade through a 400 page book of dry academic ostentatiousness

an illustrated history of western saloons with songs sayings anecdotes legends contemporary accounts line engravings and photographs

in an elaborately documented day by day format the old west meticulously records every incident that shaped the frontier from the years 1848 to 1890 whether it s a gold discovery an advance in transcontinental travel or a series of racial skirmishes each chronological entry furnishes the reader with a quick fascinating summary this extraordinary reference condenses and organizes decades of history and lore that must otherwise be laboriously hunted down in newspaper records and secondary sources

a child of the frontier walter stanley campbell best known as stanley vestal was a great preserver of the romance and reality of america s west vestal was a novelist biographer historian master teacher of writers a plainsman in love with the indian way of life artillery captain rhodes scholar and above all an exhaustive researcher dust jacket

a collection of over 150 vignettes from the journals and diaries of people who lived or traveled in the old west these accounts begin with the sixteenth century collisions between the spaniards and the indians and conclude with black elk s mournful description of the battle of wounded knee in 1890 storytellers include explorers missionaries india leaders a poet an artist and a future president

cowboy and drifter frank clifford lived a lot of lives and raised a lot of hell in the first quarter of his life the number of times he changed his name clifford being just one of them suggests that he often traveled just steps ahead of the law during the 1870s and 1880s his restless spirit led him all over the southwest crossing the paths of many of the era s most notorious characters most notably clay allison and billy the kid more than just

an entertaining and informative narrative of his wild west adventures clifford s memoir also paints a picture of how ranchers and ordinary folk lived worked and stayed alive during those tumultuous years written in 1940 and edited and annotated by frederick nolan deep trails in the old west is likely one of the last eyewitness histories of the old west ever to be discovered as frank clifford the author rode with outlaw clay allison s colfax county vigilantes traveled with charlie siringo cowboyed on the bell ranch contended with apaches and mined for gold in hillsboro in 1880 he was one of the panhandle cowboys sent into new mexico to recover cattle stolen by billy the kid and his compañeros and in the process he got to know the kid dangerously well in unveiling this work nolan faithfully preserves clifford s own words providing helpful annotation without censoring either the author s strong opinions or his racial biases for all its roughness deep trails in the old west is a rich resource of frontier lore customs and manners told by a man who saw the old west at its wildest and lived to tell the tale

for anyone interested in the authentic history of the american west it is an important and exciting new work book jacket

this book is about the real old west the research presented here comes from what i ve found during my more than forty five years of researching american history but especially what i ve learned in regards to the other side of the myths and legends of the old west in 2010 i started a blog the american cowboy chronicles to share what i ve learned and celebrate the virtues of america my articles on the old west have never been meant to dispel the myths or attack legends but to simply explain what i ve found after taking a hard look an honest look an objective look at the evidence that s available since evidence proves or disproves what we ve all been told about the old west by hollywood and writers who are not objective researchers this is my attempt at taking a fresh look at wyatt earp tom horn and others but mostly this book is about why the american cowboy became america s quintessential role model this book looks at why the american cowboy represents american toughness independence and resilience to the rest of the world

reproduction of the original in the old west by george frederick ruxton

the old west may have faded from living memory but the actual locations where the robberies and shoot outs took place can still be found over one hundred years later in the pages of on the trail of the old west then and now we glimpse the past through contemporary newspaper reports illustrated with comparison then and now photographs here are towns like dodge city and tombstone and the stories of the clashes between lawmen and the badmen with grim details of lawlessness violence and harsh frontier justice meted out by vigilante committees to recall a timeless era of american history the wild west
