the second volume in siegfried sassoon s beloved trilogy the complete memoirs of george sherston with a new introduction by celebrated historian paul fussell a highly decorated english soldier and an acclaimed poet and novelist siegfried sassoon won fame for his trilogy of fictionalized autobiographies that wonderfully capture the vanishing idylls of edwardian england and the brutal realities of war the second volume of siegfried sassoon s semiautobiographical george sherston trilogy picks up shortly after memoirs of a fox hunting man in 1916 with the young sherston deep

in the trenches of wwi for his decorated bravery and also his harmful recklessness he is soon sent to the fourth army school for officer training then dispatched to morlancourt a raid and on through the somme after being wounded by a bullet through the lung he returns home to convalesce where his questioning of the war and the british military establishment leads him to write a public anti war letter verbatim the letter sassoon wrote in 1917 entitled finished with the war a soldier s declaration which was eventually read in the british house of commons through the help of close friend david cromlech based on sassoon s friend robert graves a medical board decides not to prosecute but instead deem him to be mentally ill suffering from shell shock and sends him to a hospital for treatment sassoon s stunning portrayal of a mind coming to terms with the brutal truths he has encountered in war as well as his unsentimental though often poetic portrayal of class defined life in england at wartime is amongst the greatest books ever written about world war i or war itself for more than seventy years penguin has been the leading publisher of classic literature in the english speaking world with more than 1 700 titles penguin classics represents a global bookshelf of the best works throughout history and across genres and disciplines readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

problem to determine if a common career course should be taught to both armor and infantry officers

in the training of an infantry company e kirkpatrick presents a meticulous examination of military training methodologies employed within infantry units during a pivotal era in contemporary warfare the book intricately weaves practical military guidance with a nuanced understanding of the psychological and social dimensions of leadership discipline and teamwork kirkpatrick s literary style is characterized by clarity and precision making complex military concepts accessible to both practitioners and scholars set against the backdrop of evolving tactics during the late 20th century this work serves as an essential resource for understanding the intricacies of infantry operations e kirkpatrick s extensive background in military service and formal training informs his insights throughout the book having served in various capacities within the armed forces including as a tactical instructor kirkpatrick brings both firsthand experience and academic rigor to his analysis his commitment to enhancing the skills and effectiveness of military personnel is evident driven by a desire to honor the sacrifices of those who serve and elevate the standards of training and preparation this book is highly recommended for military professionals historians and anyone interested in military organization and leadership kirkpatrick s clear exposition makes it an invaluable reference for current and future military training programs ensuring that the lessons of the past remain relevant in addressing contemporary challenges in military engagements

the british army expanded significantly during the first world war creating a huge demand for new officers to lead the infantry through the horrors and privations of trench warfare thousands of civilians accepted commissions with little or no previous military experience and success on the western front depended to a large extent on their ability to learn new skills and responsibilities quickly this book examines the

lives and careers of these junior infantry officers focusing especially on the transition from civilian to soldier it does so by looking particularly at the young men who volunteered in the early stages of the war having only recently left either public school or university products of edwardian society they reflected prevailing military opinions about the importance of entrusting command to gentlemen once in the army they continued to draw on traditional ideas habits and practices to make sense of their new roles and surroundings but faced with an unprecedented type of modern warfare they also rapidly gained military knowledge and experience the synthesis of these various influences gave junior infantry officers a distinctive character amongst the many voices of the first world war this book follows their transition and the creation of this identity through its different stages beginning with an exploration of the educational and social backgrounds which molded the young men of 1914 creating their habits traditions expectations and familiar activities it examines a series of formative experiences including obtaining a commission training traveling abroad visiting the trenches and coming under fire once on active service officers learned how to perform their duties in the field cope with the rigors of trench life and work alongside the various personalities who populated the front their social lives and activities are also scrutinized the book concludes with an examination of the psychological challenges encountered on the western front exploring the ways in which traditional concepts of heroism and a soldierly identity were remolded in the face of an industrialized and impersonal war

british officer david cobbold served in the second world war in the middle east india and burma he wrote frequent letters back to his family detailing their day to day life battles and the shifting sands of power this book tells that story in his own words
