international in scope this guide lists references by world region selected nations  
selected american ethnic minorities and christianity and judaism specific ethnic  
minorities covered include american indians african americans and asian americans

traces the relationship between nationalist ideology and the normative manners morals  
and sexuality of modern europe which emerged at the end of the 18th century discusses

the view that outsiders homosexual insane criminal or jewish were abnormal and the equation of racial degeneracy with sexual degeneracy some homosexuals wishing to prove their masculinity attacked jews and embraced racism in weimar germany sexual decadence was blamed on the jews ch 7 p 133 152 deals with the relationship between sexuality and antisemitism in germany and in nazi thought

the subject of disraeli s jewishness was one that obsessed contemporaries but was subsequently downplayed by historians and others until very recently the essays in this volume provide a new perspective stressing the importance of disraeli s jewishness in the construction of his personality ideology and politics as well as in responses to him this collection is an important addition not only to the understanding of disraeli but also to the workings of race relations in liberal victorian britain

mendoza the jew combines a graphic history with primary documentation and contextual information to explore issues of nationalism identity culture and historical methodology through the life story of daniel mendoza mendoza was a poor sephardic jew from east london who became the boxing champion of britain in 1789 as a jew with limited means and a foreign sounding name mendoza was an unlikely symbol of what many britons considered to be their very own national sport

features studies of german jews and their relations with the rest of german society in the last two centuries

a mosaic of concise and generously illustrated articles introduces the reader to the first zionist congress the circumstances leading up to it and its consequences succinct biographical sketches highlight known and lesser known jewish and zionist personalities and provide fascinating insights into the everyday life of jewish communities reflecting the structure of the exhibition the publication first examines the origins of zionism as a response to the changing patterns of life for european jews in the last century the first zionist congress in basel and its resolutions the so called baseler programm are the focus of the next chapter the ramifications of the congress up to the foundation of the state of israel are explored in detail and a variety of issues such as the evolving fractions of the zionist movement the role of women relationships with the arabic palestinian inhabitants and the influence of the shoa receive special attention a lively discussion of the relevance of zionism today concludes the publication a team of historians from the university of basel has put together a publication which serves both as a guide to the exhibition and a valuable source for further study it is strongly recommended to anybody interested in contemporary history jewish history or the history and reception of zionism

as well as to all those seeking to form their own opinions about an influential social movement of our century

the last two decades have given rise to a proliferation of scholarship by israeli feminists working in diverse fields ranging from sociology to literature anthropology and history as the israeli feminist movement continually decentralizes and diversifies it has become less eurocentric and heterocentric making way for pluralistic concerns collecting fifteen previously published essays that give voice to this diversity israeli feminist scholarship showcases articles on ashkenazi mizrahi palestinian and lesbian identities as well as on israeli women's roles as mothers citizens and activists and soldiers citing evidence that these scholars have redefined their object of inquiry as an open site of contested and constructed identity luminary esther fuchs traces the history of israeli feminism among the essays are jewish historian margalit shilo's study of the new hebrew woman sociologist ronit lentin's analysis of gendered representations of the holocaust in israeli culture peace activist erella shadmi on lesbianism as a nonissue in israel and cultural critic nitza berkovitch's examination of womanhood as constructed in israeli legal discourse creating a space for a critical examination of the relationship between disparate yet analogous discourses within feminism and zionism this anthology reclaims the mobilizing inclusive role of these multifaceted discourses beyond the postmodern paradigm

these essays explore the complex articulations and contexts of anti semitism in the literature of four cultures britain france germany and italy in the 19th century

starting from a non idealizing non demonological review of judaism jewish history and anti semitism this book presents a sympathetic analysis of the development of political zionism and goes on to show how a dream can become both a living reality and a nightmare while beit hallahmi does not fault the idea of a jewish state in the abstract he shows how zionism in practice and power becomes a kind of settler colonialism trying to ignore its victims the palestinians the purpose of original sins is to counter the mystification on both sides of the arab israeli conflict to examine causes and principles and to reach an analysis of the current political and moral crisis in search for a solution to end the suffering on both sides

the zionist masquerade is a new history of the birth of the anglo zionist alliance during the great war a critical chapter in the history of the zionist palestinian conflict james renton argues that the balfour declaration was the result of a wider phenomenon of british propaganda policies during world war i that were driven by mistaken conceptions

of ethnicity ethnic power and nationalism from this vantage point renton contends that while a number of zionist activists played a crucial role in the making of the balfour declaration the end result was not the great zionist victory that has been widely assumed although the declaration came to be the basis for the british mandate for palestine which made a jewish state possible thirty years later this was far from being the original intention of the british government the primary purpose of britain s wartime support for zionism was to secure jewish backing for the war effort the unintended consequences of this policy however were to be explosive and far reaching

nationalism lies at the core of the history of the twentieth century as the most lasting world view of modern times this volume provides a unique panoramic insight into the history and contemporary experience of modern nationalism the contributors explore nationalism in its many faces key issues examined include the changing definitions of western nationalism from the nineteenth century conceptions of state development and patriotism through its increasing link with conservatism and chauvinism the relation of nationalism to development and modernity and its role in fundamentalist and isolationist reactions against the modern world and its expression in the civic religion of the state and the invention of tradition individual contributions analyse the tensions between nationalism and social ideologies transcending the boundaries of the nation state from marxism and international law to pan arabist sentiment a recurrent focus is the issue of the jewish nation its relation to zionism and the holocaust as the climax to one trajectory of western nationalism drawing on a wealth of examples from a broad geographical range this book will be essential reading for scholars of contemporary history political science and the social theory of the modern state the volume the majority of which has appeared in the journal of contemporary history volume 26 issue 3 4 is dedicated to walter laqueur in recognition of his unique contribution to the history of modern nationalism
