Seloc marine maintenance and repair manuals offer the most comprehensive authoritative information available for outboard inboard stern drive and diesel engines as well as personal watercraft. Seloc has been the leading source of how-to information for the marine industry since 1974. Designed and written to serve the needs of the professional mechanic, do-it-yourself boat enthusiast, instructor, and student, these manuals are based on actual teardowns done by Chilton Marine's editors/authors in our on-site facility, providing complete coverage on everything from basic maintenance to engine overhaul. Every manual features simple-to-follow, step-by-step illustrated procedures, hundreds of exploded drawings, photographs, and tables, troubleshooting sections, accurate specifications, and wiring diagrams recognized and used by technical trade schools as well as the U.S. military. Covers Type 1 Alpha, MR, and Bravo I and II units powered by Ford and GM 4-cylinder in-line 6, V6, and V8 engines over 1,430 illustrations.

A guide to the information services and sources provided to 100 types of small business by associations, consultants, educational programs, franchisers, government agencies, reference works, statisticians, suppliers, trade shows, and venture capital firms.
