despite the bounties of today s technological era as compared to previous generations
humankind actually now faces a greater sense of dissatisfaction with life more than ever
before but why is that why do so many people feel so unfulfilled and why is it so difficult
to balance our personal lives with our career obligations without a sense of either guilt
or deprivation people are increasingly divided into those who seem to do well in their
careers or their family or their spirituality or their physical health among other such
specializations and yet none of them are entirely happy or satisfied with the way their
life path has progressed now imagine for a moment that you could write down every
aspect of life on paper a life health portfolio if you will most likely you ll end up breaking
things down into the following categories mental health physical health spiritual health
personal health and professional health how might you go about balancing all of these
realms such that no aspect of your life was left neglected helping you to answer this
question is the sole purpose of this book i m going to teach you how to prioritize each
aspect properly to guide you to develop each unique sector independently of the others

so that you grow into someone happier and more formidable than you ever dreamed possible and to help you find yourself so that you can be more you than you ever realized existed
