birds of prey mga ibong mandaragit is a story of the valiant fight for justice and social change during and after the japanese occupation of the philippines in world war ii originally written in tagalog by revered philippine national artist in literature amado v hernandez and translated to english by estelita constantino pangilinan this socio political novel depicts the oppression of the filipino people by both the brutal occupiers and their own corrupt leaders while holding out hope for a vision of

an egalitarian society inspired by Jose Rizal's novels it is a sequel to *El filibusterismo*. *Birds of Prey* follows Mando Plaridel, the guerrilla warrior who discovers his strength and greater purpose as he searches for and finds the treasure left behind by Rizal's protagonist Simoun. This historical fiction examines one country's past but its message resonates with the real and present struggles in societies around the world.

For Westerners and Americans in particular, Philippine culture is deceptively familiar. Vestiges of Spanish and American colonial culture as well as contemporary American media have created resonances for identifying American culture in Philippine culture. This book guides the reader in re-examining these assumptions of sameness by taking an unfamiliar text of a noted writer of Tagalog fiction. This study restores the sense of wonder in experiencing Tagalog culture on its own terms rather than by tastes dictated from the outside. The book also examines the broader Tagalog traditions in which the writer Amado Hernandez wrote.
