more than fifty years after the beginning of the women s movement women are still not making it in traditionally male careers

women start their careers on parity with men but generally end them far earlier having achieved less status lower compensation and less satisfaction than men breaking through bias explains that it is the stereotypes about women men work leadership and family that hold women back and it presents an integrated set of communication techniques that women can use to avoid the discriminatory consequences of these stereotypes this highly practical book makes clear that women don t need to change who they are to succeed in their chosen careers and they certainly don t need to act more like men women do however need to be attuned to the negative gender stereotypes that surround them they need to anticipate the biases these stereotypes foster and they need to manage the impressions they make to avoid or overcome these biases breaking through bias presents unique practical and effective advice about how women can at last break through gender bias in the workplace and win at the career advancement game

excerpt from michael collins own story multitudinous is their gathering a great host with whom it is not fortunate to contend the battle trooped host of the o coileain the ancient slogan of collins ancestors chieftains of the tribes of munster 450 years ago about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
