online learning has increasingly been viewed as a possible way to remove barriers associated with traditional face to face teaching such as overcrowded classrooms and shortage of certified teachers while online learning has been recognized as a possible approach to deliver more desirable learning outcomes close to half of online students drop out as a result of student related course related and out of school related factors e g poor self regulation ineffective teacher student student student and platform student interactions low household income many educators have expressed concern over students who unexpectedly begin to struggle and appear to fall off track without apparent reason a well implemented early warning system therefore can help educators identify students at risk of dropping out and assign and monitor interventions to keep them on track for graduation despite the popularity of early warning systems research on their design and implementation is sparse early warning systems and targeted interventions for student success in online courses is a cutting edge research publication that examines current theoretical frameworks research projects and empirical studies related to the design implementation and evaluation of early warning systems and targeted interventions and discusses their implications for policy and practice moreover this book will review common challenges of early warning systems and dashboard design and will explore design principles and data visualization tools to make data more understandable and therefore more actionable highlighting a range of topics such as curriculum design game based learning and learning support it is ideal for academicians policymakers administrators researchers education professionals instructional designers data analysts and students

the royal flying corps later the royal air force was formed in 1912 and went to war in 1914 where it played a vital role in reconnaissance supporting the british expeditionary force as air cavalry and also in combat establishing air superiority over the imperial german air force edward bujak here combines the history of the air war including details of strategy tactics technical issues and combat with a social and cultural history the rfc was originally dominated by the landed elite in lloyd george s phrase from the stateliest houses in england and its pilots were regarded as knights of the air harlaxton manor in lincolnshire seat of landed gentry became their major training base bujak shows how within the circle of the rfc the class divide and unconscious superiority of edwardian britain disappeared absorbed by common purpose technical expertise and by an influx of pilots from canada australia new zealand and south africa he thus provides an original and unusual take on the air war in world war i combining military social and cultural history

the oecd has initiated pisa for development pisa d in response to the rising need of developing countries to collect

data about their education systems and the capacity of their student bodies

prosopis describes the enormous historical importance of these trees as a human food source and reviews the contemporary food science of the fruit derived from these trees as well this treatise reviews the native genetic resources of this genus on 4 continents and classical genetic and horticultural techniques that could help stabilize the environment and alleviate human suffering on some of the world s most destitute agro ecosystems this book is an essential read for researchers interested in forestry and plant science environmental science and functional foods the legume family fabaceae contains many genera and species that through their nitrogen fixing process provide high protein food and feed for humans and animals as evidenced by its presence in death valley california which holds the record for the highest temperatures in the world these types of plants can thrive in extreme environments edited by the world s leading experts on prospis species with globally recognized contributors covers the different perspectives surrounding the advantages and disadvantages of planting different prosopis species discusses the applications of prosopis species including how the fruits of this tree can be used as a raw food material

james is a terrific reporter and this account of the effort to shape our military to reflect left wing social values rather than the priorities of readiness and capability is vital ben shapiro bestselling author of the right side of history and host of the ben shapiro show stand down is a must read for anyone who wants to understand how progressives have forced radical changes on our military no matter how much harm it does to combat readiness mollie hemingway bestselling coauthor of justice on trial stand down exposes one of the greatest but least discussed scandals of our era time and time again the obama administration undermined the military to advance left wing political goals and hasson brings the goods to prove it every patriotic american who cares about the military needs to read this book buck sexton former cia counterterrorism officer host of the buck sexton show james hasson makes a powerful and convincing case in this exceptionally well written book stand down is a scathing indictment of the obama administration s misuse of the military as a vehicle for progressive social change at the expense of men and women in uniform sean parnell army combat veteran and new york times bestselling author of outlaw platoon safe space stickers on office doors at the naval academy officers apologizing for microaggressions against air force cadets an army gender integration study urging an end to hyper masculinity in combat arms units power point presentations teaching commanders about male pregnancy a cover up as senior officials placed their thumbs on the scales to ensure the success of the first female candidates at the army s legendary ranger school these are just a few of the examples documented in this explosive book stand down how social

justice warriors are sabotaging the u s military by former army captain afghanistan veteran and attorney james hasson hasson exposes the relentless campaign by powerful obama administration ideologues to remake the culture and policies of the u s military even over the explicit objections of military leaders he presents evidence drawn from government documents and exclusive interviews with more than forty sources including high ranking officers and pentagon insiders that progressive activists in the obama administration used the u s military as their preferred vehicle to advance the progressive agenda the stories paint a troubling picture of what happens when leftwing political operatives impose a political agenda on our nation s military they render our forces less effective place our military men and women in greater danger and compromise the military s sole objective to protect america by winning the nation s wars military readiness is a term politicians and pundits often use in the abstract to describe our military s ability to defeat its adversaries but it ultimately describes how well we have prepared and equipped a young soldier or sailor to prevail over an enemy determined to do them harm hasson makes a compelling case that our nation has a moral obligation to ensure that the sons and daughters it sends to war have the best possible chance of victory which means we must embrace only the policies that help us win wars and reject those that don t political agendas of any kind invite corruption jeopardize lives and undermine the mission they have no place in military policy a principle that the obama administration either disdained or failed to understand

trb s national cooperative highway research program nchrp report 781 a debris management handbook for state and local dots and departments of public works provides debris management practices for local tribal and state departments of transportation and for public works agencies a powerpoint presentation and a final report describing the methodology of the project are available online publisher description
