with more than 250 million speakers globally the lusophone world has a rich history of filmmaking this edited volume explores the representation of the migratory experience in contemporary cinema from portuguese speaking countries exploring how lusophone films filmmakers producers studios and governments relay narratives of migration

offering a range of critical perspectives on a vibrant body of films this collection of essays engages with questions specific to the various cinemas and films addressed while putting forward an argument for their inclusion in current debates on world cinema the collection brings together 11 chapters by recognized scholars who analyze a variety of films and videos from angola cape verde guiné bissau and mozambique it also includes an interview with pedro pimenta one of the most distinguished african film festival organizers drawing on various theoretical perspectives the volume strives to reverse the

relative invisibility that has afflicted these cinemas arguing that most if not all lusophone films are transnational in all aspects of production acting and reception the initial three chapters sketch broad comparative overviews and suggest theoretical approaches while the ensuing chapters focus on specific case studies and discuss a number of key issues such as the convergence of film with politics the question of gender and violence as well as the revisiting of the period immediately following independence attention is given to fiction documentary films and recent short alternative video productions that are overlooked by more traditional channels the book stresses the need to pay attention to the significance of african film and lusophone african film in particular within the developing field of world cinema bringing together general overviews historical considerations detailed case studies and focused theoretical reflections this book is a significant volume for students and researchers in film studies especially african lusophone cultural studies and world cinema

besides national productions transnational films that result from agreements with ex colonies now engage with the legacy of portugal s colonial history and its powerful myths of cultural identity such as lusophony and lusotropicalism this volume analyses the negotiations of ideas on identity and difference in both production modes

this short encyclopedic book is destined to students who are interested in african francophone film and cinema the major contemporary african francophone filmmakers and their films are treated her the book discusses a certain number of themes as they are featured in african francophone cinema the interface between cinematographic language and image is also studied this study reflects the vibrancy of the emergent field of african cinema furthermore the reading and interpretation of the aforementioned themes is a testimony toward the commitment of african filmmakers who re visit and update a certain number of topics as well as explore new avenues thus pushing further and further outward the boundaries of filmmaking in africa thus many of the films analyzed in this book allow the reader to reflect on some contemporary issues that affect africans and at the same time these films provide for entertainment fun and light humor thanks to the availability of these films the african is at once educated and entertained beyond africa the themes embedded in african francophone films help toward a better appreciation and understanding of african cinema book jacket

in this volume eighteen experts from a variety of academic backgrounds explore the use of songs in films from the spanish and portuguese speaking worlds this volume illustrates how rather than simply helping to tell the story of songs in hispanic and lusophone cinema commonly upset the hierarchy of the visual over the aural thereby rendering their hearing a complex and rich subject for analysis screening songs constitutes a ground breaking interdisciplinary collection of particular interest to scholars and academics in the areas of film studies hispanic studies lusophone studies and musicology this volume opens up the study of hispanic and lusophone cinema to vital new critical approaches the soundtracks of films as varied as city of god all about my mother bad

education and buena vista social club are analysed alongside those of lesser known works that range from the melodramas of mexican cinema s golden age to brazilian and portuguese musical comedies from the 1940s and 1950s fiction films are studied alongside documentaries the work of established directors like pedro almodóvar carlos saura and nelson pereira dos santos alongside that of emerging filmmakers and performances by iconic stars like caetano veloso and chavela vargas alongside the songs of spanish gypsy groups mexican folk songs and contemporary brazilian rap

no marketing blurb
