the literature on psychological trauma and traumatic attachment has progressed over the past few decades however issues of coerced and internalized perpetration have not been fully explored and deconstructed this book presents a synthesis of relational and archetypal psychology trauma and dissociation theory and highly relevant child soldier literature to offer new clinical perspectives to assist psychotherapists and trauma patients to achieve more successful therapy outcomes the alchemy of wolves and sheep offers instructive cautionary and innovative therapeutic approaches to help transform the lives of survivors of complex trauma providing an explanation of how the effects of coerced perpetration trauma are built and the damage done to the psyches and lives of most trauma victims the book extends our knowledge base in a thorough deconstruction of the nature of perpetration and its effects on the psyche chapters include trauma dissociation and coerced perpetration the child soldier as a model of internalized perpetration relational concepts in the treatment of trauma and dissociative disorders treatment trajectory archetypal constructs as a vehicle for integration this book provides valuable new perspectives on the psychodynamic challenges and opportunities for mental health professionals treating internalized perpetration in survivors of complex trauma and will prove essential reading for psychotherapists psychoanalysts and post graduate students as well as researchers legal scholars and policy makers

the most comprehensive intellectual history of american conspiracy theories yet produced the american historical review it s tempting to think we live in an unprecedentedly fertile age for conspiracy theories with seemingly each churn of the news cycle bringing fresh manifestations of large scale paranoia but the sad fact is that these narratives of suspicion and the delusional psychologies that fuel them have been a constant presence in american life for nearly as long as there s been an america in this sweeping book thomas milan konda traces the country s obsession with conspiratorial thought from the early days of the republic to our own anxious moment conspiracies of conspiracies details centuries of sinister speculations from antisemitism and anti catholicism to ufos and reptilian humanoids and their often incendiary outcomes rather than simply rehashing the surface eccentricities of such theories konda draws from his extraordinary assemblage of conspiratorial writing to crack open the mindsets that lead people toward these self sealing worlds of denial what is distinctively american about these theories he argues is not simply our country s homegrown obsession with them but their ongoing prevalence and virulence konda proves that conspiracy theories are no harmless sideshow they are instead the dark and secret

heart of american political history one that is poisoning the bloodstream of an increasingly sick body politic meticulous scholarship essential context for understanding our present mess survival global politics and strategy incisive and engaging konda s assessment of the new dynamics of conspiracy theories in contemporary us politics is a significant contribution written with a clarity of expression rare in academic writing the book is accessible to a wide readership choice

judith moore knew she had bene brought up by loving parents before age 40 she had no memory of childhood trauma although she knew she had bene sick a lot mor ethan most peoople but it wasn t until she joinged an incest survivors group to help her adopted daughter that the memories began surfacing in this brave and groundbreaking work judith moore shares her shattering revelations of the reality of high level mind control she opens the pages of her journal and the innermost feelings of her heart to share with the reader her jounrey to wholeness and to healing her early environment rich in native american folk lore helps her in her quest with the help of caring prefessionals she researces travels investigates and meditates in an effort to set herself free to reclaim her very sense of herself a sa person her search leads her into terrifying unknown territory and illuminating discvoeries about her own psyche and that of today s society as a whole

the first book to document the amazing evidence connecting covert military mind control and the alien abduction phenomenon in this well documented book the authors review former top secret mind control projects artichoke and mkultra and utilise little known formally classified documentation photos x rays illustrations and first hand testimony to expose the shocking story behind the abduction phenomenon if you think you know the truth about alien abductions think again milabs will open your eyes to the sinister connections between mind control and the abduction phenomenon

can darwinian evolution actually prove that we are alone in the universe this book illustrates that darwinian evolution is not an empirically predictable or testable scientific paradigm also shows that ancient artifacts on mars and the moon are evidence of game wardens in our own solar system could the earth be a controlled dna repository for the ongoing creation and dissemination of life forms including humans the author puts forth compelling evidence in this well researched work

in this follow up to psychic dictatorship in the usa researcher alex constantine explores the government s misinformation campaigns about its black ops

jairus victor grove contends that we live in a world made by war in savage ecology he offers an ecological theory of geopolitics that argues that contemporary global crises are better understood when considered within the larger history of international politics infusing international relations with the theoretical interventions of fields ranging from new materialism to political theory grove shows how political violence is the principal force

behind climate change mass extinction slavery genocide extractive capitalism and other catastrophes grove analyzes a variety of subjects from improvised explosive devices and drones to artificial intelligence and brain science to outline how geopolitics is the violent pursuit of a way of living that comes at the expense of others pointing out that much of the damage being done to the earth and its inhabitants stems from colonialism grove suggests that the anthropocene may be better described by the term eurocene the key to changing the planet s trajectory grove proposes begins by acknowledging both the earth shaping force of geopolitical violence and the demands apocalypses make for fashioning new ways of living
