beauty tips and tricks from the salons of south korea

i thought i was obsessed with beauty but then i got to know the reality of seoul up close seoul breathes beauty and skin care floats in its air in korea it seems that wherever you look thousands of products want to sell you the promise of perfect and hydrated skin and you only have to take a look at the porcelain faces that walk down the street to know that this is not misleading advertising my process of understanding skincare in korea made me a faithful follower of that philosophy and as i left seoul i took with me a passion to share what i had learned i have been able to hear the personal stories of women and men of all ages and cultures who have decided to follow a korean facial care routine and have improved both skin quality and self confidence as i learned about skin care in beautician training and talked to people who were totally lost about what products to buy or how to use them i knew i had to put all the facial care secrets i learned in seoul into a book because there really shouldn t be any more secrets why read a book on skin care in this book i will tell you how a californian girl like me immersed herself in the korean beauty culture and changed her perspective when it came to approaching and approaching skin care whether you are reading this to start your first facial care regimen to enhance your current one or simply to learn how another culture sees beauty this book will cover all of these concerns and many more unfortunately just reading this book will not be enough to improve the condition of your skin but cheer up because you are taking the first step i m going to give you some homework but i ll take you by the hand very well hydrated by the way along the way i am going to guide you step by step through my korean facial care secrets kept like gold on a cloth from routines from day and night facial care to why your entire body not just your face needs exfoliating or how to choose the right moisturizer and use it well i ll also teach you how to achieve the natural makeup look that women wear on the streets of seoul and often on the catwalks in new york and paris i ll combine my beautician know how with advice from korean beauty experts to answer your toughest skin questions and find solutions to common skin problems learning how to take care of your skin the korean way will change the way you think about your skin and the way you treat it you will want to start a routine and once you have started you will not want to leave it if you still have any doubts let me say yes you can get excited about skin it is just the largest organ in the body let s go there i hope that my love for korea has motivated you to live this experience in your flesh one day in fact i would like it so much that i have advanced myself and have created an itinerary for you come on you are never prepared enough here s my mini guide to seoul everything you need to know about where to shop and eat and what i would do if i only had seventy two hours consider me a friend who is delighted to show you the city seoul is moving fast and the shops and restaurants are constantly changing so when planning your

trip

the most well known korean ceramics are the celadon of the goryeo dynasty 918 1392 and the white porcelain of the ensuing joseon dynasty 1392 1910 the celadons of goryeo their grace and color tinged with feminine beauty symbolized an aristocratic buddhist culture while the white porcelains from the joseon period are thought to typify the bureaucratic and scholarly confucian society and were essentially masculine in tone vigorous and orderly korea's traditional ceramic wares serve as a barometer for understanding korean culture in that they most accurately reflect korean aesthetics and the korean worldview

the secrets behind the world's most beautiful skin in korea healthy glowing skin is the ideal form of beauty it's considered achievable by all men and women young and old and it begins with adopting a skin first mentality now this korean beauty philosophy has taken the world by storm as the founder of soko glam a leading korean beauty and lifestyle website esthetician and beauty expert charlotte cho guides you through the world renowned korean ten step skin care routine and far beyond to help you achieve the clearest and most radiant skin of your life with charlotte's step by step tutorials skin care tips and advice on what to look for in products at all price levels you'll learn how to pamper and care for your skin at home with korean approved techniques and pull off the no makeup makeup look we've seen and admired on women in the streets of seoul and you'll get access to beauty secrets from charlotte's favorite beauty gurus from around the world including supermodels youtube sensations top makeup artists magazine editors actresses and leading korean skincare researchers with the knowledge of an expert and voice of a trusted friend charlotte's personal tour through korean beauty culture will help you find joy in the everyday beauty routines that will transform your skin

the korean skin care guide that feels like talking with a trusted friend one so generous with practical advice and wisdom dr erin tababa santos creator of the nerdy derma have you always longed for that fresh glowing no makeup look with this step by step guide to korean skincare routines anyone can attain healthy skin but skincare for your soul takes it one step further it guides you to a place where skincare is also self care as much as we'd like glowing clear skin doesn't happen overnight but there is beauty in the process not just the results author jude chao links skincare to self care culture giving readers a practical guide to developing an ideal skincare routine and using it to help manage stress anxiety and depression the korean skincare routine invites us to look at our skincare not only as a way to reduce lines and wrinkles or clear up breakouts but as a tool for developing our self care habits photoshopped perfection is neither realistic nor a healthy goal what matters is caring for our mental health and building our self esteem by intentionally taking time each day to give our skin some love but it starts with changing how we view skincare and developing a routine that fits our personal needs and goals and chao helps you do that dive into chao's book on k beauty and discover an easy to follow step by step guide to skincare a clear breakdown of skincare products not brands and pros and cons to help customize your routine how korean skin care can be a reliable and effective mental health management tool tips for avoiding common types of exploitative and manipulative beauty marketing

the first k beauty book written by a dermatologist explains essential k beauty skincare facts based on scientific studies and cultural analysis back cover
