for the last 25 years sunday nights at 8pm on c span has been appointment television for many americans during that time host brian lamb has invited people to his capitol hill studio for hour long conversations about contemporary society and history in today s soundbite culture that hour remains one of television s last vestiges of in depth civil conversation first came c span s booknotes in 1989 which by the time it ended in december 2004 was the longest running author interview program in american broadcast history many of the most notable nonfiction authors of its era were featured over the course of 800 episodes and the conversations became a defining hour for the network and for nonfiction writers in january 2005 c span embarked on a new chapter

with the launch of q and a again one hour of uninterrupted conversation but the focus was expanded to include documentary film makers entrepreneurs social workers political leaders and just about anyone with a story to tell to mark this anniversary lamb and his team at c span have assembled sundays at eight a collection of the best unpublished interviews and stories from the last 25 years featured in this collection are historians like david mccullough ron chernow and robert caro reporters including april witt john burns and michael weisskopf and numerous others including christopher hitchens brit hume and kenneth feinberg in a march 2001 booknotes interview 60 minutes creator don hewitt described the show s success this way all you have to do is tell me a story this collection attests to the success of that principle which has guided lamb for decades and his guests have not disappointed from the dramatic escape of a lifelong resident of a north korean prison camp to the heavy price paid by one successful west virginia businessman when he won 314 million in the lottery or the heroic stories of recovery from the most horrific injuries in modern day warfare told in the series signature conversational manner these stories come to life again on the page sundays at eight is not merely a token for fans of c span s interview programs but a collection of significant stories that have helped us understand the world for a quarter century
