my goal upon entering moody s mabs program was then as it is now to know god better and to love him more before completing the program i began praying to know

what god had in mind for me next while praying i realized that some if not much of the biblical knowledge i had recently gained would likely slip from my mind if i did not take steps to prevent that i was then led to compile my written assignments into a well organized anthology as i prayerfully worked on that project i realized that the finished product could well serve as a christian discipleship or small group study that led me to prayerfully consider making the project available to everyone now along with westbow press i am blessed to invite you to embark on a journey through your own at home seminary

king solomon asserted love is as strong as death song of solomon 8 6 solomon the wisest of all israel s kings recognized that while every human would eventually succumb to death death is not ultimate in power the god whose essence is love designed and created both human life and death as instruments for the display of his own splendor and purposes neither human life nor death then can deviate from god s ultimate purpose and good for the creature made in his own image biblically death serves as the perfect foil to mark both the immeasurable value of human life and at the same time the relatively limited value of it rather than either worshipping or desecrating this finite gift of human life we can value it rightly and also worship the god who in his literally infinite wisdom gives and takes away life in accord with his good and gracious purposes
