mankind or just some did that creator give all mankind an opportunity for salvation does he love some more than others the author explores these questions and many more in this inspiring work is god calvinist or arminian i highly recommend every layman as well as every pastor include this book in their library dr randal helms senior pastor forestbrook baptist church bob has a knack for taking the profoundly complex issues of soteriology and making them incredibly simple for anyone to understand is god calvinist or arminian is an honest evaluation of some of the more troubling aspects of reformed soteriology presented in a non threatening manner and laced with down to earth language this brief volume serves as a suitable entry point for any individual looking to further their understanding of soteriology and the practical response to it samuel l schmidt ed d pastor edgewood baptist church president the samuel ministry there are three principles that establish the basis for our understanding of gods will for mankind his purpose for creation his omniscient wisdom to choose the best way to achieve his purpose and the power of his omnipotent will to perfectly execute his plan applying these principles to the teachings of calvinism and arminianism bob raymond has shown that god created a plan for the salvation of mankind that is simple and orderly

there is a growing focus on the christian confession of god s completed kingdom the new heaven and the new earth this theme has time and again seduced people into elaborate fantasies that stimulated the senses how can we talk about it meaningfully raymond r hausoul relates systematic theology to biblical theology by comparing three theologians the catholic theologian karl rahner the protestant jurgen moltmann and the reformed gregory beale this leads to reflections on differences between matter space and time of the new heaven and new earth and those of our present reality the hope for renewal and resurrection is thus linked to the prophecies of the new jerusalem the tree of life and the resurrection body

my goal upon entering moody s mabs program was then as it is now to know god better and to love him more before completing the program i began praying to know what god had in mind for me next while praying i realized that some if not much of the biblical knowledge i had recently gained would likely slip from my mind if i did not take steps to prevent that i was then led to compile my written assignments into a well organized anthology as i prayerfully worked on that project i realized that the finished product could

well serve as a christian discipleship or small group study that led me to prayerfully consider making the project available to everyone now along with westbow press i am blessed to invite you to embark on a journey through your own at home seminary

how we worship determines what we believe prosper of acutane a disciple of augustine once wrote ut legem credendi lex statuat supplicandi the law of prayer determines the law of belief this is significant for it expresses that how we pray determines what we believe exploring worship engages in a comparative study of catholic evangelical and orthodox teachings on corporate worship and suggests classic practices that help deepen the understanding and experience of worship this is significant in at least four ways theologically it contributes to the important and continuing dialogue among catholics evangelicals and orthodox historically it highlights the integrative potential between these three groups contrary to its history of distrust and outright animosity spiritually many christians are seeking a deeper devotional expression exploring worship provides an examination of worship rooted in the rich history and traditions of the church pedagogically this will suggest practices that help deepen the understanding and experience of worship exploring worship invites us to more critically intentionally and sympathetically reflect on the ways we worship and its place in our churches

the bible is a ready resource for guidance on topics and questions that often perplex believer and curious nonbeliever alike but where do you begin to look for the answers in fact how do we know for sure that we can even trust the bible to provide the answers being sought making sense of the many images of god and teachings about the godhead that appear in the bible answers to common questions about god tackles such subjects as how do we know god even exists how could god have always existed can god really feel my personal pain do all religions lead to god written in question and answer format for easy access these quick reference guides provide succinct summaries of authoritative information so readers can be confident of what they read and be prepared to discuss these topics with family friends or neighbors accurately

king solomon asserted love is as strong as death song of solomon 8 6 solomon the wisest of all israel s kings recognized that while every human would eventually succumb to death death is not ultimate in power the god whose essence is love designed and created both human life and death as instruments for the display of his own splendor and purposes neither human life nor death then can deviate from god s ultimate purpose and good for the creature made in his own image biblically death serves as the perfect foil to mark both the immeasurable value of human life and at the same time the relatively limited value of it rather than either worshipping or desecrating this finite gift of human life we can value it rightly and also worship the god who in his literally infinite wisdom gives and takes away life in accord with his good and gracious purposes

this updated second edition of köstenberger and jones s landmark work tackles the latest debates and cultural challenges to god s plan for marriage and the family and urges a return to a biblical foundation

the obvious secret a discipleship journey to christian maturity by bruce c steffens the obvious secret explores the various major beliefs of the christian faith from a logical and analytical standpoint it is intended for two purposes first it is a resource to develop christian discipleship curriculum for teachers and instructors secondly it is self study resource for seekers new believers and even established believers it contains a systemic approach to understand the why of what we believe and then helps one to establish and deepen a personal relationship with god the book is not intended to tell someone what to believe but rather to give the logical reasons related to belief topics and allow a person to discover the truth of the belief for themselves however without a vibrant relationship with god all the understanding of god s principles and truths are academic a mature disciple is the person whose best friend is god and who helps those around him or her to know god s love and create their own relationship with god

there are few beliefs more essential to christianity than that of the trinity millard erickson seeks to provide a lucid and judicious answer to the question is jesus eternally subordinate to the father or is jesus equal with the father in addition to providing rigorous theological analysis of that question erickson exposes flaws in familial implications derived from the trinity this increasingly debated topic has finally received a thorough careful and objective treatment
