from Paris to Stalingrad the Nazis systematically plundered all manner of art and antiquities but the first and most valuable treasures they looted were the crown jewels of the Holy Roman Empire now bestselling author Sidney Kirkpatrick tells the riveting and never before told true story of how an American college professor turned army sleuth recovered these cherished symbols of Hitler's thousand year Reich before they could become a rallying point in the creation of a fourth and equally unholy Reich anticipating the Allied invasion of Nazi Germany Reichsführer Heinrich Himmler had ordered a top secret bunker carved deep into the bedrock beneath Nuremberg Castle inside the well guarded chamber was a specially constructed vault that held the plundered treasures Hitler valued the most the Spear of Destiny reputed to have been used to pierce Christ's side while he was on the cross and the crown jewels of the Holy Roman Empire ancient artifacts steeped in medieval mysticism and coveted by world rulers from Charlemagne to Napoleon but as Allied bombers rained devastation upon Nuremberg and the U.S. Seventh Army prepared to invade the city Hitler called the soul of the Nazi Party five of the most precious relics all central to the coronation ceremony of a would be Holy Roman Emperor vanished from the vault who took them and why the mystery remained unsolved for months after the war's end until the Supreme Allied Commander General Dwight D. Eisenhower ordered Lieutenant Walter Horn a German born art historian on leave from UC Berkeley to hunt down the missing treasures to accomplish his mission Horn must revisit the now rubble strewn landscape of his youth and delve into the ancient legends and arcane mysticism surrounding the antiquities that Hitler had looted in his quest for world domination Horn searches for clues in the burnt remains of Himmler's private castle and follows the trail of Neo-Nazi Teutonic Knights charged with protecting a vast hidden fortune in plundered gold and other treasure along the way Horn has to confront his own demons how members of his family and former academic colleagues subverted scholarly research to help legitimize Hitler's theories of Aryan supremacy and the master race what Horn discovers on his investigative odyssey is so explosive that his final report will remain secret for decades drawing on unpublished interrogation and intelligence reports

as well as on diaries letters journals and interviews in the united states and germany kirkpatrick tells this riveting and disturbing story with cinematic detail and reveals for the first time how a failed vienna art student obsessed with the occult and dreams of his own grandeur nearly succeeded in creating a holy reich rooted in a twisted reinvention of medieval and church history
