innovation no other concept is so widely celebrated yet so secretly dreaded the reason innovation requires managing through uncertainty this is hard for any organization whether private or public small or large this book provides a roadmap for those who want to understand and manage innovation in all its aspects it explains both the how and the why of innovation its economic and policy context as well as the techniques by which it can be orchestrated along with the management systems needed to govern it

innovation is uniquely presented through both a private sector value creating and public sector mission fulfilling lens topics covered in context include modern innovation and creativity techniques such as design thinking and the lean startup the organizational challenges of innovation as well as innovation project and portfolio management techniques business model innovation and open innovation complete the picture from the manager s perspective the private and public financing of r d startups and corporate innovation are presented contrasting the private and public worlds while explaining how they complement each other government innovation policy is discussed in its historical and contemporary context and the innovation policy toolset is introduced continual innovation is vital for companies and countries to prosper readers will learn why innovation must follow technological breakthroughs to raise productivity and economic growth and how innovation when done right can benefit larger society an explanation for unequal growth that some companies regions and countries are not seeing the full productivity gains promised by modern technology is explored in the context of technology diffusion no previous experience in innovation management economics or public policy is assumed and the book moves fast to equip the reader with practical tools and techniques innovation for value and mission is suitable for an introductory graduate level course or as a desk reference for experienced practitioners and policymakers because it connects multiple topic areas and contains ample additional references the book is also a great resource for those with expertise in one particular area of innovation who desire to branch out into other areas

in in praise of disobedience italy s most beloved contemporary writer dacia maraini demonstrates her ability to connect past and present through the drama of the life of st claire of assisi exploring the desire for freedom against the conditions of enclosure and immobility imposed on women throughout time and space

most books on the cuban missile crisis tell the story using the memoirs of those who advised president kennedy as he struggled to avoid world war iii this book is the only known personal account of the lead photographic reconnaissance squadron s scouting dangerous low level operations flying the supersonic rf 8a crusader during the classified operation blue moon captain ecker was the commanding officer of us navy light photographic squadron 62 vfp 62 otherwise known as fightin photo during the cuban missile crisis a team created for reconnaissance and aerial photography and consulted on the movie thirteen days which included dramatic scenes of his first mission over cuba

on october 23 1962 blue moon over cuba is an authoritative and complete account of the low level reconnaissance that might be said to have helped jfk avert nuclear armageddon

harness the strengths of every generation to create a church that endures open the lines of communication appreciate the experiences that shaped each generation in your church unite in one mission to impact your community and the world it may seem hard for younger christians to believe that people over 50 were raised during an era when 90 percent of americans identified as christian these older believers were once part of a majority group that understood the mission of the church was to take control of our culture to halt its evils at the same time christians under 50 have lived their entire lives perceiving themselves as a minority that needs to make credible their faith to a secular pluralistic culture these distinct experiences and perceptions have a profound impact on the priorities different generations have for church ministry it s no wonder that younger and older believers don t always see eye to eye but imagine what could be accomplished in the name of christ if we could better understand each other and turn that understanding into shared purpose and aligned priorities backed by thorough research this eminently practical and hopeful book from pastor and scholar bryan chapell shows you how to open the lines of communication appreciate the experiences that shaped each generation in your church and unite in one mission to impact your community and the world

a fortnightly bulletin on financial and political trends
